Mirka Abranet®  
HeavyDuty  
For the most demanding  
applications

---

**Abranet® HeavyDuty** has been designed to meet the toughest sanding applications requirements, and by that offering a complement to Mirka Abranet in the coarse grit scale.

An excellent resistance to edge wear and clogging, resulting in a long life time.

Abranet HeavyDuty is a great product when removing thick layers of paint. After the paint has been removed, the rough surface can be sanded smooth with Abranet.

---

# Abranet® HD

Heavy duty

Application steps for paint removal on wood:

1. Abranet HeavyDuty P60 – removes paint
2. Abranet P180 – smoothens out the surface faster and more simple

Abranet HeavyDuty provides a more effective solution for your extreme sanding needs!

Up to 3x longer lifetime and 40 % faster!
