Faith

Dear Partner,

I am excited to present to you some brand new items in this catalog. Most notably, we have produced a STUDY GUIDE for the book, "Faith and Confession." You will find thought provoking questions to stir your faith and reveal your understanding of the subject along with space for notes and an answer key. We have also made available the entire Faith and Confession Bible School teaching that Charles recorded many years ago on DVD and CD. This package can be purchased for personal study or is great for church classes, prison ministry, and Bible Schools. Each session is 45 minutes long and with the book and STUDY GUIDE will bring a series of 14 comprehensive classes you will never forget.

Also I have completed a new mini book, "Removing the Roadblocks to Healing," and released new CD teachings from recent meetings. There are also several CD's that were not available for purchase, but we have re-released them and added to the catalog. And don't miss the DVD that Mom and I recorded about her healing after a liver transplant. God's Word and the teaching of it never changes! I once asked Dad, "Do you want us to keep duplicating CD's and publishing after you go to heaven?" He said, "Well, the Word never changes. God's Word is still being printed and preached and I am just quoting what He said. So YES, get it out there. The Word will not return void!"

topic: AUTHORITY

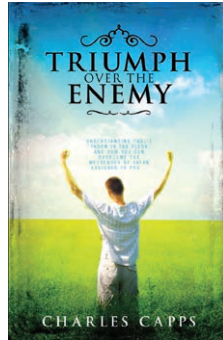

510 Triumph Over the Enemy—

Book by Charles Capps.

In Second Corinthians 12:7, Paul writes about “a thorn in the flesh, the messenger of Satan” who had been sent to harass him. This “messenger” was sent to create problems and stir up the people against Paul everywhere he preached. But Paul knew the key to overcoming this obstacle - he learned to exercise his God-given authority here on the earth!

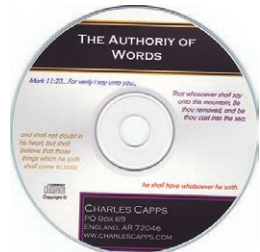

You can be delivered from the messenger of Satan assigned to you! You will learn:

- The reason Paul was sent a messenger of Satan
- The key to walking with the believer’s full authority in your life
- The actions you must take to defeat Satan’s messenger
- God’s plan for delivering His people in all things
- The true depth and sufficiency of God’s grace. – 64 pg. Book \$8

128 The Authority of Words—

Most people do not release any faith when speaking. They don’t understand the importance of their own words. You need to release your authority through speaking powerful words! Single CD teaching by Charles Capps– \$8

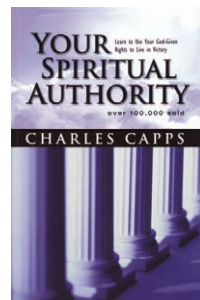

Mark 11:23 — *For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and thou cast into the sea: and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.*

504 Your Spiritual Authority—

God’s amazing plan for the salvation of humanity includes authority — spiritual authority to change your life right now, right where you are.

Charles shares a penetrating message on the believer’s legal right to exercise authority in the earth today. This delegated authority was given to every Christian so that the sick can be healed, finances can be loosed and those bound by Satan may be free. – 190 pg. Book \$11

Charles narrates his book on prayer. God's Word is alive, powerful and it is law in the world of the spirit. Prayer is governed by spiritual laws and this law is more powerful than the laws of nature that rule

the universe today. Many times our prayers have bound God and His ability to help us. When you learn to pray faith-filled words, you release God's ability and bring Him on the scene in your behalf. – 2-CD Audio Book \$15

505 Faith that Will Not Change—

Charles outlines powerful truths that will help you get back on track and walking in the overcoming faith God desires for you to have.

Have you ever stepped out in faith only to later feel that you have failed? If you are like most Christians, at some point in your life, you have questioned the Word God gave you. The truth, however, is that faith is a law and God's laws always work. - 60 pages \$7

238 His Word is Seed, Water, and Light—

1855 The Substance of Things—

Scriptural references and graphic illustration of how God's Word (a promise) will produce exactly what He says in your life if you don't change it. An illustration of how God's Word is filled with faith and if you don't rearrange that Word in your thinking then you will not get the results you want in your life. - \$8

topic: SCRIPTURAL MISCONCEPTIONS

512 Kicking Over Sacred Cows—

God's Word was given to fulfill the needs in our life, but preconceived, religious ideas about scriptures hold people in bondage. Certain scriptures become "Sacred Cows" that Christians accept as holy rather than search for the real meaning. Charles wrote this book to shed light on some of the most misunderstood scriptures in the Bible.

- Does God cause sickness for His glory?
- Do all things work together for good?
- What about Job?
- Are trials a test from God?
- How does God chasten Christians?

The answers to these and more questions can be found by rightly dividing the Word of God. 140 page book - \$8

225 The World That Was—

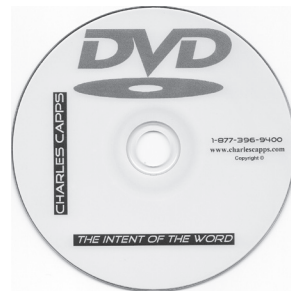

Contrary to what most people believe, the earth is much older than 6000 years. However, it did have a face lift at that time. Biblical, scriptural evidence that the world that **WAS** is not the world that now **EXISTS**.

Charles reveals what the Bible says about Creation and the beginning of the earth. This is not the Darwin theory or the Creation Science theory,

but what the Bible says about Earth. The Bible teaches the earth could be millions or billions of years old. Discover the scriptural references that support this teaching. \$15

1884 The Intent of the Word—

It's important to know what the Intent of the Word is. Someone may say to you "Well, the Bible said...," but its important to know why it said that. What context was it spoken in? Utilize this DVD to learn to study the Bible to avoid misinterpretation of it. - \$20

topic: QUANTUM FAITH

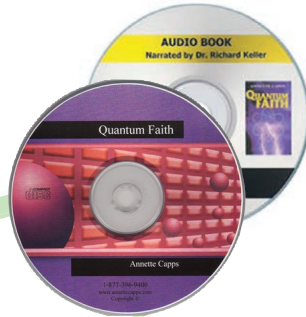

- Quantum Faith® —**
- How does quantum physics relate to the Bible?
 - Can words move mountains?
 - How did Jesus supersede the laws of physics?

There are amazing similarities between the teachings of Jesus and the discoveries of the new physics, quantum theory. The concept of speaking to mountains and trees may not be religious metaphor, but laws of a new physics that have not been fully understood.

Jesus taught that our words are powerful enough to move physical matter. Quantum physics has discovered that subatomic particles respond to the observer.

In this book, you will discover that your words and your faith (beliefs) are unseen forces that affect everything in your world. You are the one giving substance to your world through words! (Book, CD teaching, Audio Book, & DVD priced below)

114 *Unforgiveness A Thief of Blessing*—

Single CD teaching by Charles Capps. Un-forgiveness can steal your faith and ultimately steal your life. You can forgive by faith in the name of Jesus and be free of this bondage and walk in God's blessings. \$8

293 *Letting Go of Hurts*—

Are you bound by hurts and resentments of the past? Do you speak words of forgiveness but still feel hurt? This teaching will help liberate you from your feelings.

Unforgiveness binds you on a short rope to the person or situation that you want to forget. Contrary to religious thinking, forgiving does not mean "it's ok" that they did this.

Just as your physical heart is of paramount importance to your health, so is the heart of your spiritual being. It must be guarded against all that could damage it because it is the source of your faith and future. Your heart cannot produce when it is hurt.

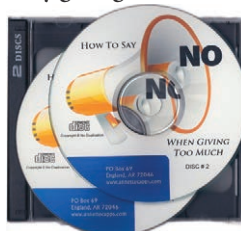

Annette reveals hidden dangers and how to protect ourselves. How to guard against distress, discouragement, disappointment and help you to maintain a healthy spirit to keep your heart from failure. – \$15

159 *Don't Go Whole Hog When Half Ready—*

Single CD teaching by Charles Capps.

One of the reasons the faith message sometimes gets put in a bad light is because there are those people who act out of presumption instead of faith. You shouldn't step out further than you have faith.

You can't give what you don't have and you cannot release faith when you don't believe what you are speaking. When the spirit man is full, there is plenty to give and plenty of faith to move those mountains. – \$8

Charles Capps defines the spirit of man and how God communicates His life to the believer. God, Who commanded light to shine out of darkness, wants to turn the Light on inside of you.

We are important to God and He wants us to walk in the light. Though there is darkness all around today, He has provided the light to shine out of the darkness and enlighten us. This little book teaches us how He is going to do it. – 64 pg. Book \$7

129 *The Simplicity of Faith* —

The results of faith are like pouring water from a pitcher; if the pitcher is empty nothing comes out, but if it is full then you can pour it out. Understand how faith works, how to build it up, and how to use it in your life to be an effective Christian. - by Charles Capps \$8

284 *Helping God Resolve Your Problems*—

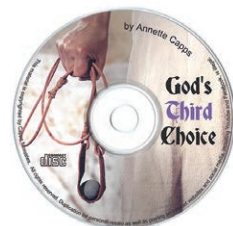

Do You Really Want to Overcome Your Problems?

- God Needs Your Help!
- What to do when you have tried it all
- Obtaining freedom from enslaving habits
- When confession is not enough

How to obtain victory over habitual problems, enslaving habits, or sin by co-operating with God. – by Annette Capps. \$15

189 *God's Third Choice*—

Annette teaches you that God has a plan for each of our lives. He is able and willing to perform it! We want everything to work out perfectly but life doesn't work that way. We make mistakes but that isn't the end!

God will use his first choice, third choice, or 100th choice to accomplish what He has promised. It is your job to speak what He has told you and follow what He says. Keep saying it and doing it until it becomes a part of you. Never quit! – \$8
