HEARING AND Knowing

God's Voice

BY ANNETTE CAPPS

"One of the primary concerns of all Christians is their individual ability to hear from God."

Because people and their personalities vary so widely, having God speak to you can defy explanation. Some claim to hear God's voice audibly, while others say they never hear from God.

Whether you think you hear or not, God is always trying to communicate with us. As Proverbs states: **Wisdom crieth without; she uttereth her voice in the streets.** (Proverbs 1:20) God desires to impart to us wisdom and knowledge of His will. He desires to communicate love, comfort, and understanding as well as correction.

THE WRITTEN WORD AND INWARD WITNESS

Two of the primary ways that God speaks to us is through the written

Word and our inward witness. Not only does He speak to us through the written words of the Bible, but also can speak through inspirational books written by men and women today. I'll never forget the first time I read the book, *The Believer's Authority* by Kenneth Hagin. The words of that book jumped off the page into my heart and I knew the truth had just hit me!

The inward witness, sometimes called 6th sense or intuition is one of the most important spiritual tools to develop. There have been times in my life that I escaped tragedy because "something inside" did not "feel" right. There are also times that I had that "feeling" to pray for someone only to find they were miraculously delivered from a car wreck. Then there are countless

times that my spirit “checked” me about a business situation. When I went against it, I lost a lot of money!

DEVELOPING SPIRITUAL DISCERNMENT

Spiritual discernment or following the inward witness is something that you practice and develop. It does not normally just fall on you in perfect form. You learn by trial and error. (I could do without some of the errors!)

If you are sensitive to the leadings of your spirit and are diligent to follow them, then you will find your discernment growing. If, however, you ignore those promptings, they will come less and less.

*“Having knowledge
of God’s will without
the wisdom to know
His timing can be
dangerous.”*

What happens is that you “sear your conscience.” In the same way that a sinner commits and squelches his or her conscience, you can squelch your inward witness. Eventually it won’t bother you anymore.

Because of personality differences, some Christians feel the guidance of the Holy Spirit in their lives. Others see what God wants them to do, and some hear God speaking to them.

The hearing is an inaudible voice on the inside. The seeing is not visible to others, and the feeling is often felt in the mid-section. These 3 senses are not necessarily spectacular, but provide a means of communication from the Holy Spirit.

SUPERNATURAL COMMUNICATION

There are very supernatural and spectacular ways in which God also communicates. He may send an angel to appear with a message. He certainly can speak to you audibly and others can hear. There are also times that a person may be in a trance and see a vision of the future. I have occasionally had dreams where God revealed things to me. These are unusual occurrences and do not happen on a regular basis. His primary means is still the inward witness and written Word.

I have told God that He can use any means to get His message across to me, however, I think that perhaps the reason God has to speak in an audible voice is that some people are spiritually hard of hearing!

GOD’S TIMING

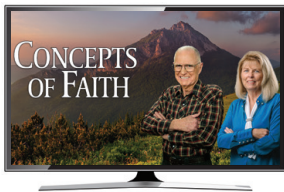

Another area of discernment that we need to develop when learning to hear God, is to discern and know His timing. Sometimes we get so excited that God communicated, that we jump up and think the time for this to happen is **NOW**.

In the book of Exodus, Moses knew that he was to deliver the nation of Israel out of Egypt. It was in his heart to do so. When he happened upon the Egyptian beating the Israelite, he slew the Egyptian. He took it upon himself to start the deliverance. Then he had to hide himself. When God spoke and said, "Go" then Moses truly delivered Israel.

In Moses' impatience, he delivered one Israelite. In God's perfect timing, he delivered the whole nation! Having knowledge of God's will without the wisdom to know His timing can be dangerous.

As you develop your spiritual discernment, you learn to draw from the wisdom concerning God's timing. Some things that you feel, hear, or see may be for the future. If you realize that, it will keep you from being discouraged.

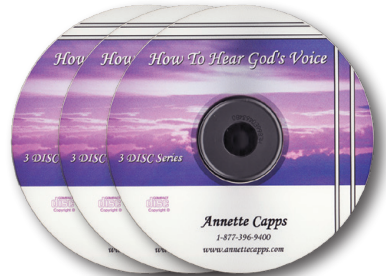

Colossians 2:3 says that in Christ are hidden all the treasures of wisdom and knowledge. Since all the treasures of wisdom and knowledge are in Christ and Christ dwells in you, then that wisdom and knowledge is inside of you now in your spirit!

As I began to read *God's Creative Power® Will Work For You*, at first it seemed as if nothing was happening. Then over the next few months I noticed that my energy began to change, as did my thoughts. I was being healed physically and emotionally. The Holy Spirit began leading me on a journey of discovery of the basic principles of the power of the spoken Word. This has radically transformed and accelerated my life to new dimensions into God's love. I've never thanked this ministry personally and so I would like to just say again thank you! Thank You for being a voice in the earth releasing the kingdom of God. I've shared copies of this book with many that I've come across over the last eight years. I thank God for you! —T.A. - Virginia

He Sent His Word and Healed Them!

Thank you for the little pamphlet you enclose in your letter each month. They are always a blessing to me. I'll always be grateful to Charles Capps for the wisdom and insight he sowed into my life through his books. When I developed a life-threatening illness in 2010, I got serious about learning what the Word has to say about faith and healing. The book, *Faith and Confession*, was a huge influence and blessing. *God's Creative Power® for Healing* was one of the first things I read about healing, and it gave me hope to believe that I could be healed. While reading Mr. Capps' books, and books by the Copeland's, the Lord healed me...I don't even know when it happened...One day I just knew I was healed! —A.H. - New Mexico

the SPIRIT *of* PROPHECY

A PORTAL TO THE PRESENCE & POWER OF GOD

NEW BOOK BY ANNETTE CAPPS

In a way, this book is the story of my life, even though the emphasis is my spiritual life journey. From the beginning, when my Grandmother Capps led me to Jesus at the age of six, I was hungry for the presence of God and that hunger led me to some outstanding manifestations of the Holy Spirit. Not unlike the day of Pentecost when the outpouring of the Spirit radically changed the lives of those present, the supernatural display of God's power set a course for my life.

Little did I know, that my family would become an influence to the world through radio, television, and books. My great-grandparents, who joined themselves to the Pentecostal movement in the early 1900's, could never have conceived that their grandson Charles Capps would continue to preach over the internet and television years after his transition to heaven!

This book is about the anointing and presence of God. It is about the presence of the Holy Spirit and flowing in His gifts. The anointing that is on this book is FOR YOU!

CHRIST'S ASCENSION AND HIS RETURN —PART 2

BY CHARLES CAPPS

CHRIST'S TEMPTATION —COMPOSITE OF THE CHURCH

Let's consider another time period of 40 days which could also be of prophetic importance.

And Jesus being full of the Holy Ghost returned from Jordan, and was led by the Spirit into the wilderness, being forty days tempted of the devil. (Luke 4:1, 2)

Here again the Scripture reveals that Jesus, the physical Body of Christ, was in the wilderness 40 days being tempted of the devil. Since we have precedent for a day in the wilderness representing a year, this would fit as a parallel of the Church being tempted on earth for 40 Jubilee years (2,000), which as we have already seen, represents the length of the Church Age.

It seems that Jesus Himself was a true composite of the Church, revealing that the Body of Christ will be tempted by the devil for 40 Jubilee years before being caught up to heaven in the same manner as the original Body of Christ. To say the least, the prophetic implications are astoundingly accurate. In any event, we shall soon know the truth of this matter.

HIS ASCENT

Jesus ascended to heaven from the Mount of Olives. And that is the exact place where He will return with the saints on the evening of the last day of the Tribulation Period. (Zechariah 14:1-5, Revelation 11:3-19; 19:11-21)

It's interesting that Acts 1:12 mentions it is a "Sabbath day's journey" from the Mount of Olives into Jerusalem which is less than a mile. It seems from Scripture that Jesus will descend on the Mount

at the beginning of the Seventh Millennium. This seems to be what the Sabbath day represented to Israel under the Old Covenant, a day of peace and rest.

The six days God labored, plus the seventh day of rest, seems to represent His total time period of seven thousand years in which He will deal with mankind to weed out the wicked of the earth and gather the righteous into an eternal state.

God hallowed the seventh day and told Israel to honor it. It represented the last Millennium before eternity in which Israel will be raised up and live in His sight. (Hosea 6:2)

COMPOSITE OF CHRIST'S SECOND ADVENT

We find in Exodus 19 another event which gives prophetic insight concerning Christ's Second Advent.

And the Lord said unto Moses, Go unto the people, and sanctify them to day and to morrow, and let them wash their clothes,

And be ready against the third day: for the third day the Lord will come down in the sight of all the people upon mount Sinai.

And it came to pass on the third day in the morning,

that there were thunders and lightnings, and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that was in the camp trembled.

And mount Sinai was altogether on a smoke, because the Lord descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly. (Exodus 19:10, 11, 16, 18)

"CHRIST WILL DESCEND WITH THE SAINTS UPON THE MOUNT OF OLIVES AND AN EARTHQUAKE WILL SPLIT THE MOUNT IN HALF."

Although this was Mount Sinai, it is an amazing parallel of Christ's Second Advent. For the Scriptures indicate Christ will descend with the saints upon the Mount of Olives at the beginning of the third day (third Millennium from Christ's birth) and an earthquake will split the Mount of Olives in half. (Zechariah 14:1-5)

He will then destroy the Antichrist and his armies before setting up His earthly kingdom for a thousand years of righteous rule.

CLOUD COVERED MOUNTAIN SIX DAYS

Then there is another incident concerning Moses and this same mountain in Exodus 24 which parallels the Resurrection of the righteous dead at the time of the Rapture. We pick up on this in verses 16 & 18:

And the glory of the LORD abode upon mount Sinai, and the cloud covered it six days: and the seventh day he called unto Moses out of the midst of the cloud.

And Moses went into the midst of the cloud, and gat him up into the mount: and Moses was in the mount forty days and forty nights.

The fact that Moses went up into the cloud after six days corresponds perfectly with God's composite found in Matthew 17:1, 2. When applying the 1000 years as a day concept, this seems to reveal the time frame of the Rapture to be after 6000 years of human history.

Since Moses was God's composite of the righteous dead of 120 Jubilee years (6,000 years) the details of this event certainly have prophetic implications. The 6 days of the Genesis account, representing 6,000 years of human history would correspond with the 6 days in which the cloud covered the mountain before Moses was called up into the cloud. So it is apparent that the 6 day emphasis in Genesis continues through the Bible into the Book of Revelation revealing a consistent time frame of prophetic events. All of these Scriptures point to the same time, 6 days or 6,000 years, then 7 years of Jacob's trouble before the seventh one thousand year day of peace and rest in which satan will be bound.

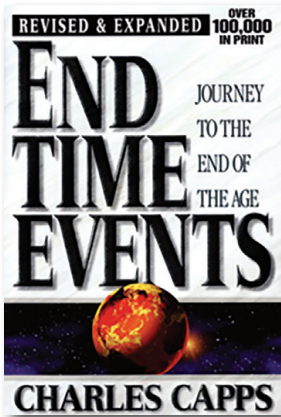

**“GOD HAS KEPT
THESE END-TIME
EVENTS IN PERFECT
NUMERICAL ORDER
THROUGHOUT THE
SCRIPTURES.”**

God has kept these end-time events in perfect numerical order throughout the Scriptures. Exodus 21 reveals that a Hebrew servant was to serve six years and released the seventh year. Then there are the six days Joshua marched around Jericho with seven priests blowing seven trumpets. And in Matthew 16:28-

17:4, the six days that Jesus waited before taking Peter, James, and John up to a high mountain apart to be transfigured before them. These are all connected by the same time line.

It also seems obvious that God chose Moses to represent the righteous dead of the 120 Jubilee years, who will be caught up into the clouds to meet the Lord in the air after six days. Those six days indicate the total time in which God will deal with mankind under the earth lease of Genesis 1:26-31 which Jesus referred to in Mark 12:1-11. These events seem to be God's way of revealing through the Solomon Concept what the twenty-first century holds for both the Church and planet earth.

A Personal Note from our Staff: Joyce

I started to work for Charles Capps January 1978. I knew the Capps family for some time before going to work for them because we attended the same church.

When Brother Capps started sharing the revelations he was receiving about the Word of God, it just went off in me that I needed to hear what he said. He started sharing in churches around England, Arkansas. My husband and I would go hear him every chance we got.

One day I told my husband that I would like to work for Brother Capps at some point in time. I didn't realize that point would come so quickly. A couple of weeks after I made this comment to my husband, "Brother Capps came to me after a meeting and asked if I might want to work for him." Of course I said yes! I started as the only employee and worked a few hours a week. Brother Capps started with a few radio stations and then TV. After a short time there were more phone calls, more orders, more prayer calls and full time work. We had to leave the small room over the garage and move into the first official office. That also posed the need for more people to take care of the work. In every need the Lord provided the right individual to fill that need. We have always had wonderful people to make up the ministry family.

We have partners that have been supporters since we started. They are faithful to continue to support the ministry in order that more can learn the faith and confession teaching.

I am always amazed when I take a call now and the person just heard of Charles Capps. I think after 40+ years everyone should have heard of this ministry. Brother Capps was a teacher. He didn't use fancy words, but plain talk and that is what our partners comment on more than anything.

He said it in a way your spirit could hold on to it. We have received so many testimonies over the years of lives that have been changed by reading *God's Creative Power*®. Over the years our offices have changed, people have come and gone, but Brother Capps did not change. The revelation he started with years ago is still just as relevant today as it was then.

The book *The Tongue A Creative Force* and the teaching CD *Calling Things That Are Not* are two of my favorite teachings by Brother Capps. These are my go to teachings when I need to refresh my spirit. The simple truths in these teachings get me back on the right track.

I have always enjoyed what I do. I feel I am where I am supposed to be. Peggy Capps, Annette and BreAnne are carrying on what started in the 1970's. The ministry is still growing and many more are receiving the uncompromised Word of God.
