And Election

PROPHETIC COUNTDOWN

BY ANNETTE CAPPS

During times of upheaval, we become more aware of prophetic events unfolding and the fast approaching coming of our Lord Jesus Christ. When there is peace and prosperity, people don't think about it quite as much. It doesn't change the fact that God has allotted a certain number of days to eras of time here on earth and when the clock runs out – that's it! Nothing can change that. The Tic Tic Tic of the clock hasn't stopped.

God told Abram in Genesis 15:13-14 that his descendants would be foreigners in another land and that they would be held in oppression and slavery for 400 years, and afterward leave with many possessions.

This was fulfilled *exactly to the day* as Moses records it in Exodus 12:40. God's time clock is EXACT. We are given information throughout the Bible on the specifics of these time frames. There is a 6000 year period before the 1000 year millennial reign of Christ. My Dad called this the "Earth Lease." When the lease is up – satan and his

principalities and powers lose their right of access until a short season at the end of the millennial reign. There are exactly 7 years of tribulation.

Can you hear the ticking of the time clock?

Tic Tic Tic Tic

How many clicks until it stops? We don't know exactly where we are, but we are closer than we have ever been! Where the world hears *fear* in Tic Tic Tic, we hear a party coming! Believe me, those who do not belong to the Lord have an inner knowing or sense that time is running out. Where they are fearful, we are joyful – looking forward to being with Jesus.

I want to point out in Exodus 12:42 (CJB), *"This was a night when ADONAI kept vigil to bring them out of the land of Egypt..."* The Lord Himself kept vigil over His people that night, as a parent watches and keeps vigil over a child at night who might be ill – watching and waiting to bring whatever is needed, lovingly caring for that child.

In this manner, the *Lord Himself* went before the children of Israel in the form of a cloud by day – His Shekinah Presence – then a pillar of fire by night to protect them and bring them to their destination. I believe the *Lord Himself* is watching over His Church, His People – You and me during this time.

Psalm 121:4 (NKJV), *"Behold, He who keeps Israel shall neither slumber nor sleep."*

God is not asleep during this time. He is watching over you to protect and keep you. As on the Passover, go inside and feed on the Lamb – the Word of God. It will strengthen you and energize you.

Do you remember a scripture in the New Testament referring to the *Lord Himself*?

I Thessalonians 4:16, *"For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first."*

Caught up together to meet the Lord in the air! What great hope we

have! Keep your eyes on Jesus. Look unto Him, the Author and Finisher of our faith.

Let's conclude with what we have to look forward to: *"I heard a loud voice from the throne say, See! God's Sh'khinah is with mankind, and he will live with them. They will be his people, and he himself, God-with-them, will be their God. He will wipe away every tear from their eyes. There will no longer be any death; and there will no longer be any mourning, crying or pain; because the old order has passed away."* Revelation 21:3-4 (CJB)

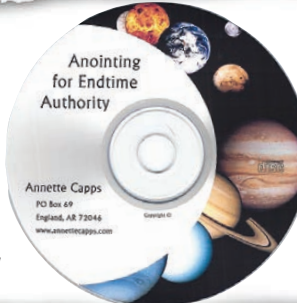

Imagine! God's Shekinah Presence living with us. The Holy Spirit within us is a seal, but in that day, not only will His Spirit be *within* us but His manifest Presence will live with us, surrounding us, in every part of our being.

Every tick of the clock brings us closer to that day!

There's a Storm on the Horizon

BY CHARLES CAPPS

This generation

is blessed beyond any that has lived on planet Earth since the beginning of creation. We are living in a marvelous time of prophetic fulfillment, which is good news if you believe in the blessed hope, the glorious appearing of the great God and our Savior, Jesus Christ.

Yet, as one surveys the prophetic scriptures and calculates the effect of their fulfillment on the modern world, the accumulated results are staggering. We live in a time when weapons of mass destruction are within reach of almost any nation in the world.

What is yet even harder to comprehend is the magnitude of destruction that will come upon this planet from the gathering moral decay that is sure to bring God's wrath upon a wicked world. It is evident that our great society and our government sponsored programs are hopelessly out of control, as we are being thrust – by time itself – into the time of prophetic fulfillment which will end the age.

There are times when I feel somewhat like a meteorologist issuing a warning of an approaching storm. You can imagine how he feels as he tracks a killer tornado on Doppler radar as it approaches a densely populated city. He knows he cannot stop the storm or divert its path. The only hope of saving lives is by warning those in its path in the quickest way possible so that they might escape before the storm strikes or make a desperate attempt to withstand its devastation. This scenario is a perfect parallel of this generation, for so many today are unaware of the approaching storm. Some have heard the warning but are unprepared and without hope, believing there is no way of escape.

...We are being thrust – by time itself – into the time of prophetic fulfillment which will end the age.

To them, the only ray of hope seems to lie in a desperate attempt to withstand the storm of events that will usher in the seven years of tribulation destined for planet Earth.

There is a real storm brewing, as planet Earth spirals towards a cataclysmic transition into the last Millennium before eternity. The signs of the times are clear — Planet Earth is winding down, while fulfillment of prophetic events is escalating profoundly.

TWO IMPORTANT QUESTIONS

Economic collapse is one of the most frequent warnings heard worldwide. The very complexity of these problems today cause us all to consider two questions:

- (1) Is there any hope for planet Earth?
- (2) Where will it all end?

The answer to the first question is, yes, there is hope for planet Earth. But this hope is not based on the ability of man to solve the complex problems facing the inhabitants of the earth in the twenty-first century. This hope is in the Person of Jesus Christ — the Son of God, the anointed Messiah — and His promised appearance to catch away those who have placed their faith in Him and in His resurrection power.

This hope also includes Christ's Second Advent, which will occur

immediately after the Great Tribulation has ended, to destroy the Antichrist and begin 1000 years of peace and righteous rule on Earth. During that time, the righteous will be the heads of His government and will rule and reign with Him. The earth will be free from satan's influence for 1000 years. For satan will be bound and confined to the bottomless pit as Jesus Christ rules and reigns in His Kingdom here on planet Earth.

THE END IS IN SIGHT

As we journey through the prophetic pages of God's Holy Word, we find a clear answer to both of our important questions: *Is there any hope? And, where and when will it all end?* We are all well aware that time will eventually answer these questions, but by then it would be too late to escape the tribulation destined for those who remain on the earth.

Some have sensed the coming events but have many unanswered questions concerning the future. They are seeking for the answers in the wrong places. Millions seek answers from their horoscopes. Some call "psychic hot lines," not realizing they are seeking answers from demonic sources. Some put their hope in religious traditions, which so much of the time fail to give the right answers to these questions. Others have given up because they believe God doesn't want us to know.

But the truth *is*, God wants us to know what is about to happen so we can be prepared and *escape* the coming storm and stand before the Son of Man. (Luke 21:36)

THE LIGHT IS NOW ILLUMINATING THE DARKNESS

I am sure you have at times walked into a room where the louvered blinds were tilted at a certain angle. The sun was shining, but until a certain time of day, the sun didn't shine into the room. So it is concerning the truth of many prophetic Scriptures which have been hidden from us in days past. We are now living in a time when the Holy Spirit's illumination on the prophetic Scriptures is dispelling the darkness.

What a glorious time to be alive! This is, if you are prepared to escape what lies ahead for those who are left on planet Earth during the seven years of tribulation that is destined for planet Earth.

SIGNS OF THE TIMES

One of the discourses given by Jesus predicting end-time events which will profoundly affect life on planet Earth is found in Matthew's gospel:

(Matthew 24:6-7) *"And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places."*

Jesus mentioned four things that would occur in one generation to signal that the end was drawing near: wars, famine, pestilence (plagues and infectious disease) and earthquakes. These signs are being fulfilled almost daily, making everyone consider how close we must be to the prophesied end.

"PESTILENCE AND INFECTIOUS DISEASES"

In the 1960s some medical schools discouraged students from entering the field of infectious diseases because they believed that the advances in vaccines and antibiotics would soon wipe out infectious diseases. However, thirty years ago, no one had heard of AIDS, and the Ebola virus hadn't left behind a wake of dead and dying.

The medical profession hadn't realized that bacteria could mutate and become resistant to antibiotics. The World Health Organization never dreamed that it would fear another outbreak of yellow fever or tuberculosis in the 1990s. But somehow, in spite of miraculous medical advances and worldwide social programs, the problems of pestilence and famine continue to grow, revealing the nearness of the end of this age.*

Wars. Famine. Pestilence. Earthquakes. These are just a few of the signs that show this age is drawing to an end. But God has always had a plan to deliver His people from the destruction that is soon to come upon the inhabitants of planet Earth. The plan was written by forty different authors on different continents, in three different languages, over a period of 1500 years.

- The whole plan is revealed in His Holy Word, the Bible.
- It has withstood the test of time.
- It has withstood the test of history.

***Editor's note: The global pandemic of the highly contagious coronavirus COVID-19 is just one more sign of the nearness of the end of the age and Christ's coming.**

- It has withstood the test of archaeology.
- It has withstood the test of prophetic fulfillment.

Not one prophecy recorded in the Bible has ever failed. Most were spoken hundreds of years before the birth of Christ. Historical evidence has proven that every prophecy regarding Tyre, Nineveh, Gaza, and Babylon has come to pass.

For hundreds of years, Bible critics thought they had finally found the one prophecy that was false. None of them believed that Israel could ever become a nation again. They thought for sure the Bible was wrong concerning Israel.

But in 1948, in one divine act, God did what man had labeled impossible: He began gathering the Jewish people back to that tiny strip of real estate in the Middle East, restoring their nation. It was from that moment in 1948 that prophetic events began to accelerate towards complete fulfillment concerning Israel.

THE TIME IS SHORT

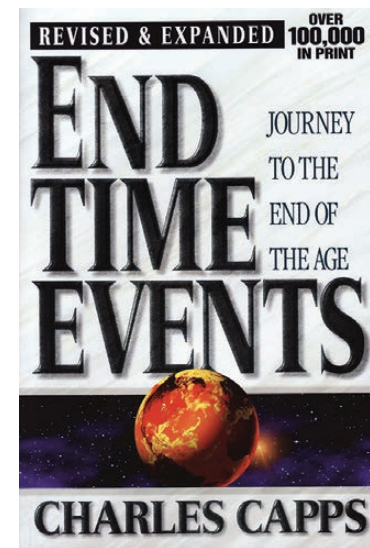

People of all nations of the world are now searching for answers concerning the future. We have been thrust by time itself into the twenty-first century, which will usher humanity into the greatest change in the history of this planet. Many have placed their hope in the United Nations for peace on earth. But until Jesus the Messiah returns to rule the earth in His righteous kingdom, there will be no lasting peace for planet Earth.

Every detail of God's plan to rescue mankind from certain destruction rests on the promised return of Christ. God has woven into the fabric of His Word

His master plan to rescue the Church of true believers from His wrath that will be poured out on the wicked during the Tribulation Period. He has also given us scriptural profiles which reveal the sequence and general time frame of the Rapture, the Great Tribulation, the last Millennium, and eternity to follow.

There **is** hope. God has revealed to us the final Victory and has declared what the end will be – and it will be glorious!

In this revealing and prophetic look at God's Word, bestselling author Charles Capps, opens the Scriptures surrounding the end of the age.

Prayer Before Surgery

“Father, in Jesus’ name, I ask that every person that touches my body be anointed by the Holy Spirit, filled with the wisdom of God, knowing exactly the right things to do to bring healing and wholeness to my body.”

Every person that surrounds me or helps me in any way will do so at the direction and anointing of the Holy Spirit. Those who have a wrong spirit are supernaturally kept away from me.

The angels are in attendance during every part of my surgery and hospitalization. I declare that complete healing and restoration to health is the end result of this treatment.”

A Note from our Staff: Jayne Sleeter

I’ve been familiar with Capps Ministries since the late 70’s and the first book I ever read by Charles Capps was *God’s Creative Power Will Work for You*. I had no understanding of the message when I read the book. That little book changed my life forever!

Then, the ministry released a gift edition, which contained all three of the minibooks; *God’s Creative Power Will Work for You*, *God’s Creative Power for Healing* and *God’s Creative Power for Finances*. I got one of the first copies in 2008 and I still use the book every day. It contains a message for every need I may have. I also began to listen to the audio CD, “Confessions for Life.” The book and CD reinforce each other.

I’ve used it for healing, finances and just about anything. I even used it to find work after I was laid off from my job. I struggled with trying to believe for the job and I kept “thinking” of the bills, losing my home, all the things everyone thinks of when

you don’t have work. As I kept reading and confessing, I could feel my faith grow and began to rest, “knowing” God was moving on my behalf. His Word never fails and saying it out loud for me made the difference. I got a job, and only God could have opened that door.

It is so exciting to see the Word “come alive” even when reading the contents page! The more I read through it the more “alive” everything became. What I realized was that this book, as well as others, is the anointed Word of God given to a minister, Charles Capps. It was alive and is alive. That “life” was changing me — it always will. I have given many, many copies of the Gift Edition to friends and family.

Later when I was believing for part-time work and reading my Gift Edition, I got hired at Capps Ministries. God used a friend to let me know about the possible job, and the next thing I know I am interviewing and now working

for the ministry. To be able to work for such a powerful ministry is the best. I've always enjoyed Charles Capps' teachings and now I get to work with and be touched by the ministry of Annette Capps also. She also is anointed by God and has a powerful message for the day we live in now. Each of them different but both with the life changing anointed Word.

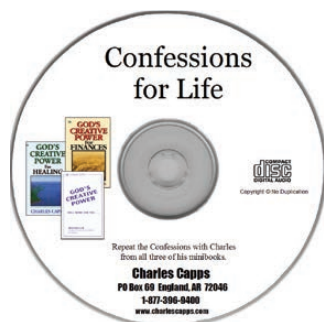

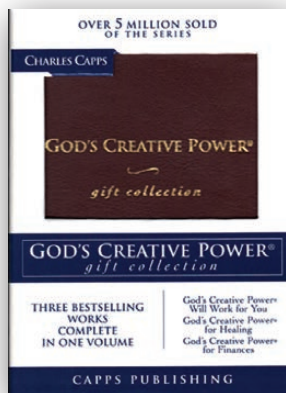

My position is such a blessing. Another team member, Julie and I have the privilege to process all the incoming mail to the ministry. Everything is done with security in mind for our partners. We ask for God to anoint us each day to do all that is necessary as we process the mail. We pray over every piece of mail coming in and also pray for God to bless our partners. Then as we process the mail we make copies of every prayer request. Then the copies are then given to the prayer team. We always try to resolve any issue with an order or donation as efficiently and quickly as possible.

I can't begin to say how much I enjoy doing what I get to do, and touching the lives of our many, many faithful partners. God is so good.

Prayer For The Nation And Election

by Annette Capps

Those of us who are filled with the Holy Spirit can pray in the spirit and affect change in our nation. The Spirit can make intercession through us to bring about the will and purpose of God in the earth.

I am asking you to intercede on behalf of this nation and its leadership by praying in the spirit and also praying this prayer aloud.

"Thank you Father for your Word has declared that I am strong in the Lord and the power of Your might, therefore I stand on behalf of my city, my state, and my nation in the name of Jesus. I speak forth the Word and declare that the hidden things are now revealed and the forces of darkness are exposed by the light of God and His Word. By the power of Jesus' name, I bind every spirit that has attempted to infiltrate our government with darkness. You are rendered harmless and ineffective NOW in Jesus' name. Our leaders have ears to hear and they now follow the Good Shepherd and the voice of a stranger they do not follow. Angels of God, go forth and see to it that people are moved into positions of leadership by divine appointment. Those who are called will find their rightful place and fulfill the will of God. No weapon formed against this nation shall prosper!

I speak peace, prosperity, and blessing and call forth the will of God to be manifest here and now.

In Jesus name, so be it!"

Amen!

The weapons of our warfare are powerful – By praying in the spirit and praying the Word of God, we are giving God an entrance to intervene in the circumstances of this earth.

It is not people we are wrestling against. It is in the spirit realm which Paul refers to as “wicked spirits in high places.” But the Word of God is more powerful and greater is He Who is in us than he who is in the world.

The battle is already won. Stand and declare the victory!

*"Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered." **Romans 8:26***

"Finally, my brethren, be strong in the Lord, and in the power of his might.

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

*Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;" **Ephesians 6:10-18***
