

HAPPY NEW YEAR TO ALL OUR VALUED CLIENTS!

Welcome to our first newsletter for 2011 in our new format. We will be including pattern reviews in each issue, the first of which is featured below. We will be celebrating our first birthday and will be holding a VIP afternoon on Saturday 12th February from 12-4 p.m. for all our valued customers. For further details please see the next page. We are also busy planning our 2011 class schedule and hope to launch it at our VIP afternoon. We are happy to receive your suggestions for classes to include, so please let us know asap. There will also be a slight change to our opening hours for a short period. From 1st February to 28th March we will not be open on Wednesdays. We apologise for any inconvenience this may cause. We look forward to the year ahead and hope that we can inspire you with our diverse range of fabrics and experienced friendly staff.

SIMPLICITY 4190

A complete wardrobe includes a dress in 2 lengths + 2 sleeve variations, a tunic top, pull-on pants in 2 lengths and a great little casual toke.

Fabric choices: Tuscany linen, Fujilin, Resort and Cotton voile (pictured right)

BURDA 7793

There is still lots of summer weather ahead of us and we have some fabulous sheer fabrics including 100% silk and 100% cotton chiffons and voiles, from as little as \$8.50/metre.

This very simple oversized 'T' is the perfect choice for a very cool easy to make tope, there are only 2 seams and no sleeves to set in. Make it longer for a tunic style and add a long sleeved t-shirt as the days get cooler.
