

CHICAGO

The Chicago dining table is sought after by lovers of Australian hardwood, especially those who are also sustainability conscious as it's made using recycled Messmate. This table is the same as the Portland dining table in every aspect, except the construction of its undercarriage which is commonly described as "hoop leg" or "U frame".

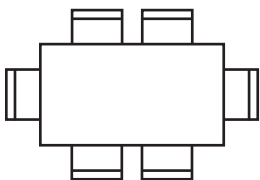

Proudly crafted in Melbourne, the Chicago dining table comes with a 5 year conditional warranty.

Available in other timber. Intermediate sizes may be available on request - speak with a consultant.

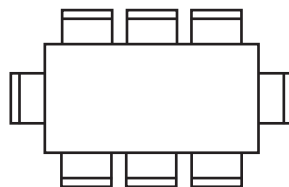

Chairs and other items pictured sold separately.
