#### **Primary Will vs. Permissive Will**

We step out of "our" will, not His primary will. God causes "all" things to work together for good!

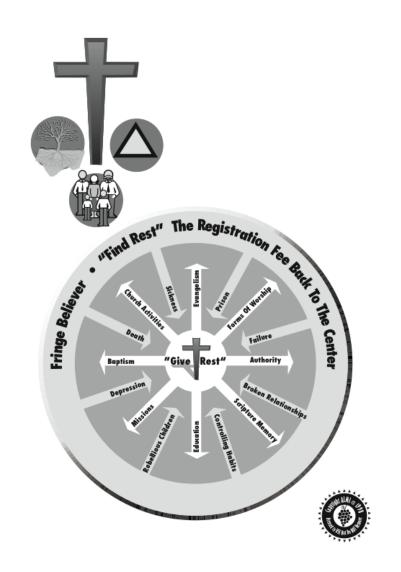

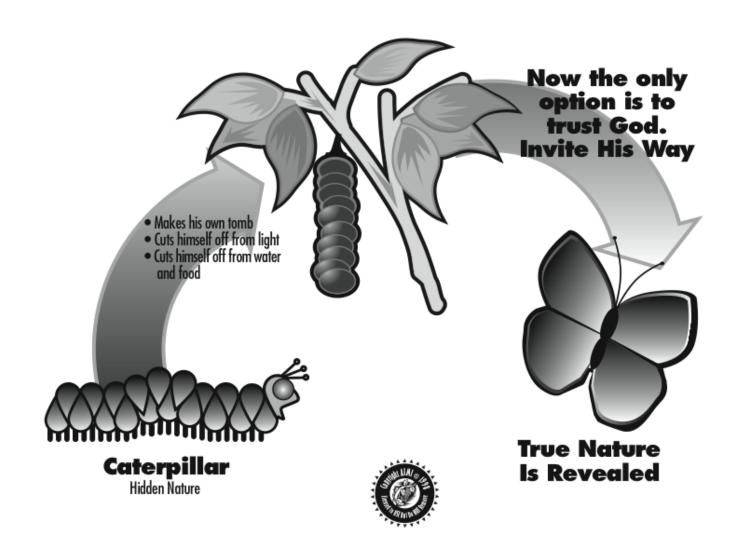

God's Primary Will (John 11:40; 6:29) The Revelation of Christ is you the hope of glory"

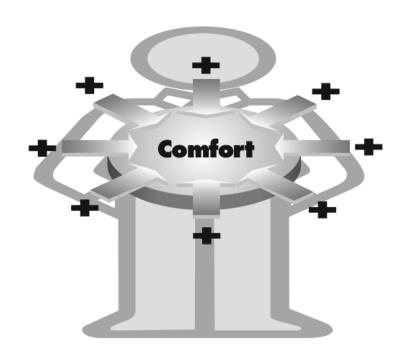

My concept, my understanding of the will of God from my I.Q. This is the permissive will of God

## I surrender to God

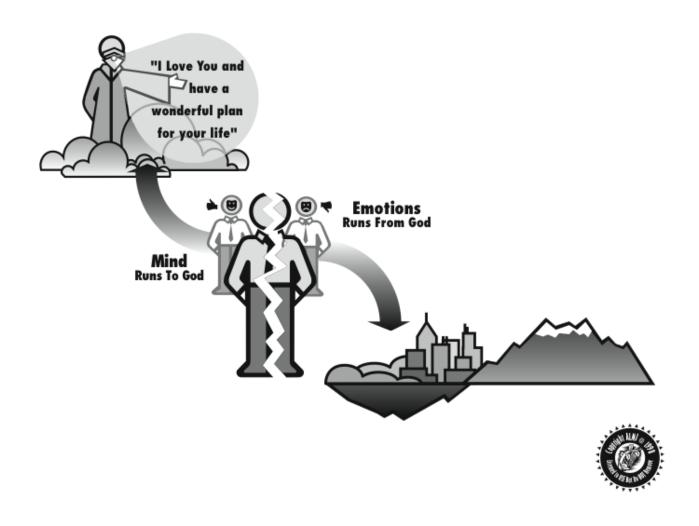

All that I carry All about which I worry My past hurts My children My vocation My past failures My future My marriage My bitterness My relationships My family My sickness My disappointments My losses My idols My insanity My lies My lying emotions My false concepts of God My false pride My addictions My Fear of the unknown My depression My lying thoughts My old identity messages My finances My obsessions My control of others My excuse-making

Father, you are my God! I was not created for the load that I carry! I cannot make one hair white or black. I am not the Holy Spirit in others' lives. I have failed to enter Your rest. I am not god; You are my God. I have a God and therefore I surrender all that I carry to You this day. I give it to You believing You have taken it, not because I feel it, but because I believe it. Thank You! I now enter into Your rest.

I gave it, and You took it!

THIRD: The pressure builds causing a turning to the Idols, coping mechanisms, of the past (withdrawal, depression, sedatives, etc.). NOTE: Baggage is stirred the moment fellowship with Christ is neglected. As past feelings and behaviors surface the believer is not to fight these manifestations of the flesh. Rather, the Christ that dwells within must become the focus.

SECOND: The old attempts of improving our identity surface (people-pleasing and performance).

Hell on Earth

FOURTH: The believers begin to feel, perform, and cope exactly as unbelievers. Though they are going to heaven, their daily experience is hell on earth. The problem at this point is not behavior but rather the door, which when opened releases Christ's life and disposes of the baggage.

FIRST: The old identity feelings resident in the mind (worthlessness, unacceptableness, and failure) are stirred through events and messages similar to those.

Baggage from the old man

:

Messages received today that are similar to messages from the past push the button that closes off our new life-Christ's Life.

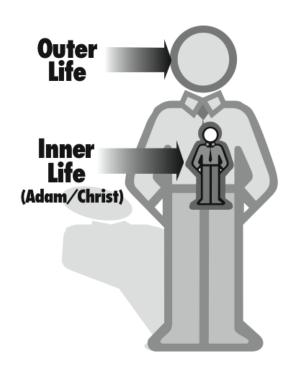

Once the door to Christ's life is closed, we begin to live out of and spiral into the baggage of the departed Old Man, and the following four things occur.

 $\Lambda$ 

Christ's Life Within What is true of Christ is now true of me. (Col. 3:4). His life is now my life.
