Jesus the Doorway

Divine Glue

When I invite into my being something that is anti-christ, it is forced into the pit of my stomach, then expelled through my mind and emotions. Since Christ holds me together, all that is anti-christ acts as a solvent within me to make me come apart.

Two Views of Your Mate

A.

Every mate has baggage.
Your mate looks at your baggage
through a magnifying glass and no
longer sees the person.

B.

Your mate sees the person
and not the baggage you
bring into the relationship.

Issue Pot

One Answer for all Issues = Confusion

Separate the Issues

Example: A woman says, "I can't please my husband, he's always critical, so the kids won't listen, and my depression is back." In one sentence she has brought out:

1. She can't please
2. How to handle criticalness?
3. Her parenting skills
4. Depression

**Find a separate answer
for each issue**

One Answer

**Life is a pot with
many issues**
