

# RPK

RECOIL PAD KIT

Beartooth's Recoil Pad Kit is the best way to eliminate hard-hitting recoil and properly fit your gun. The stretchy slip-on neoprene cover fits nearly all gunstock sizes and works excellent with both shotguns and rifles. Simply place foam into sleeve and pull on – no gunsmithing or drilling. By reducing recoil, Beartooth's RPK can assist in eliminating shoulder fatigue while improving your shooting accuracy.

**COMFORT //**

Reduces recoil felt by 40% - improving comfort and accuracy
