

SCOPE[GUARD]

Built to extend the life of your scope by shielding it from unnecessary wear and tear, Beartooth's ScopeGuard is made to last. The heavy-duty neoprene is shock absorbent, water resistant and prevents harmful dirt and debris penetration. With open ends, the ScopeGuard allows for in-the-field use and protection where damage often occurs.

DESIGN //

No velcro or sticky tape

FUNCTION //

Easy to put on and take off, no need to remove scope to install

ACCESS //

Elastic binding ensures easy turret access and snug fit

PREVENTION //

Repels moisture, absorbs shock and prevents scratches

STYLE //

Premium details for maximum style

CONSTRUCTION //

Heavy-duty neoprene, reinforced seams

STEALTH //

Quiet materials, eliminates glare
