

The logo consists of the text "TO/GO" in a bold, white, sans-serif font, enclosed within a white rectangular border. The background of the entire advertisement is a photograph of an outdoor event at dusk. A large, dark stage structure with a tall stack of speakers is visible. A crowd of people is seated in the foreground, and a city building is in the background. A bright light beam cuts across the upper right portion of the image.

THE SOLUTION

WHETHER YOU ARE LOOKING FOR A TEMPORARY OR A PERMANENT SOLUTION, DECK TO/GO HAS THE STAGE OR DECK YOU NEED FOR SHOWS, PLAYS, SPECIAL EVENTS, WEDDINGS; AT SCHOOLS, HOMES, RESTAURANTS, OFFICES, THEATRES, RENTAL EQUIPMENT CENTRES; ON ROOF-TOP TERRACES, PATHWAYS AND MUCH MORE! THE ONLY LIMIT IS YOUR IMAGINATION!

WHY CHOOSE STAGE DECK SYSTEMS, FLOORING, SEATING AND TILES FROM DECK TO/GO?
BECAUSE THEY ARE...

VERSATILE

With our versatile platforms and complete kits, easily convert your stage modules into rolling risers or bleachers using tiered seating devices. Simply switch the accessories kits. You will get a customized platform adapted to your needs!

EASY TO INSTALL & AFFORDABLE

We provide you with an affordable and user friendly setup which will take you half the time thanks to our one of a kind **union clip**. No more struggling with installation!

Choose from our wide array of **finishes, tiles, legs, braces, guardrails, access ramps and carts** to build the ideal solution for your staging needs. Exactly the way you want it!

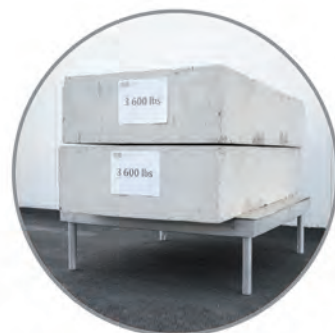

REPAIRABLE & MOBILE

The Deck TO/GO system is repairable and mobile. Not only is its maintenance cost the **lowest** in the industry, but it also **requires less storage** space than other comparable solutions. Virtually no maintenance, no wasted space, only a perfect setup!

ADAPTABLE & SAFE

The Deck TO/GO system can **hold up to 300 pounds per square foot**. That's three times more than required by the building code! Durable, sturdy and reliable so that you can focus on the show!
