Concentrated Carpet & Fabric Protector

Description

Guard Dog is a **VERY economical** protectant formulated with a unique blend of fluorochemicals to deliver outstanding protection against both oil and water based soils & stains....It also delivers excellent protection against damaging dry soils.

Applications

May be used on all colorfast carpet and upholstery including wool.
Covers up to 1,200 Sq. Ft. per concentrated gallon.

Directions

- ▶ Test all carpet/upholstery for color fastness before applying any product.
- ▶ Dilute 1 part to 4 parts water and apply at 200 - 300 sq. ft. per "Ready To Use" gallon.
- ▶ Best applied with a low pressure sprayer using 30 to 50 PSI and a 8001 Tee Jet. Can be applied with an Injection Sprayer.
- ▶ To insure a complete and even coverage, use a 50% overlapping spray pattern and brush or rake carpet immediately after application.
- ▶ If accidentally applied to other surfaces, such as hardwood floors or baseboards, wipe off before the product becomes dry.
- ▶ Tell customer to allow their carpet/upholstery to dry before returning to service.
- ▶ Flush application equipment with water after use.
- ▶ If product becomes frozen, thaw at room temperature and shake well before using.

See product label and SDS for additional information and instructions.

Benefits

- ▶ Great Value (more profit per Sq Ft).
- ▶ Fast dry times.
- ▶ More repellency than the "Big Name brands".
- ▶ Carpets stay cleaner longer.
- ▶ Easy to apply
