Tile & Grout

Anywhere all else fails!

Description

Xtraction Magic is a super aggressive, film forming, encapsulating pre-spray that slices through grease and soil like magic. Even though it is a convenient liquid it has all the cleaning power & more of a high pH powder.

Xtraction Magic was formulated to address the cleaning challenges where nothing else will get the job done. It is great for Greasy Spoon Restaurants, Trashed Apartments, or any place where nothing else will get the job done!

It is a perfect combination of HIGH pH, aggressive surfactant technology and encapsulating polymers. Its encapsulating qualities insures that you will never have to worry about leaving a dirt attracting residue that causes rapid re-soiling. It is also excellent at removing soapy or sticky residue left behind from previously applied products, sticky soda spills, etc.

Xtraction Magic will simply make any job go quicker and easier without worry of leaving a dirt attracting residue. If you dry some undiluted product in a shallow dish or saucer, it simply dries to an encapsulating film.

Directions

Vacuum carpet thoroughly to remove dry particulate soil. Test all carpeting for color fastness before applying any carpet cleaning product. Mix product according to directions using dilution ratios listed below and on the product label.

Depending on type of carpet and degree of soiling, apply at 300 - 500 SF per gallon of prespray and allow 5 or more minutes dwell time then extract with clear water. A rinse agent can be used, but is not necessary, in fact, it might even interfere with the film forming and encapsulating properties of the product.

See product label and SDS for additional information and instructions.

Prespray / Traffic Lane Cleaner		
Application	Oz per gal of water	Resoiling Residue
Light to Average soil	1 to 2 oz	Zero
Average to Heavy soil	2 to 4 oz	Zero
Heavy to Extreme soil	4 to 6 oz	Zero

For a 5-quart Injection Sprayer with a 8 to 1 tip, use 11 to 64 oz and fill with water.

Truck Mount Emulsifier Dilution	
Application	Per 5 gal stock solution
Average Soiling (1:320)	8 oz
Heavy Soiling (1:160)	16 oz

Portable Emulsifier Dilution	
Application	Per 5 gallons of Water
Average Soiling	1 oz
Heavy Soiling	2 oz

Benefits

- ☆ **Very Cost Effective!**
- ☆ **Slices through grease, dirt & grime in situations where nothing else will get the job done!**
- ☆ **ZERO sticky or dirt-attracting residue.**
- ☆ **Ideal for any heavily soiled synthetic carpet.**
- ☆ **Penetrates and emulsifies the sticky film that binds dirt to carpet fibers.**
- ☆ **Pleasant scent at use dilution.**
- ☆ **Forms an encapsulating film upon drying.**
- ☆ **Freeze-Thaw stable.**

Packaging.....1 gal bottles (4 per case)
