

Heated Towel Rack

Model No.: A1 Series

Finishes

1. Joints: Chrome / Brushed Nickel / Black / Rose Gold
2. Body: Black / White
3. Flush Mounting / Leakage Protection

Material SPCC

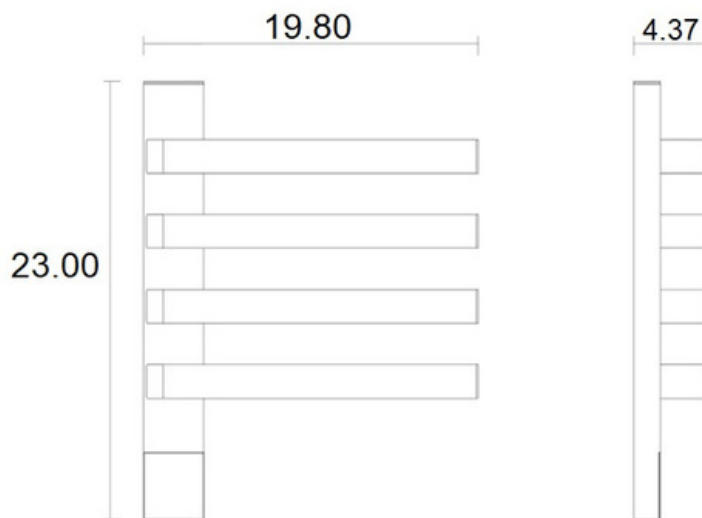

Volts/Watt AC120V/170W

Function

1. Single Arm Intelligent
2. Carbon Fiber Heating
3. Time Adjustment: 0.5-12hours
4. Waterproof Grade: IPX4
5. Temperature Range: up to 158 °F
6. Rack heats up in 15mins without a towel

Dimensions

Unit: inches

Heated Towel Rack

Model No.: B1 Series

Finishes Electric Plating and Powder Coating

1. Joints: Black / White
2. Body: Black / White
3. Flush Mounting / Leakage Protection

Material Steel

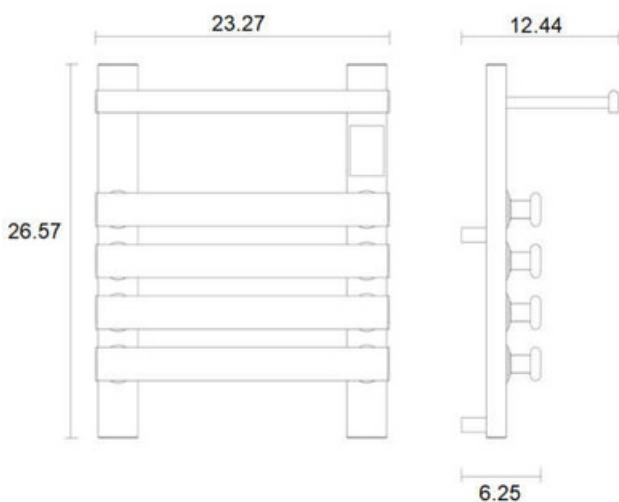

Volts/Watt #B1-4 AC120V/170W
#B1-6 AC120V/280W

Function

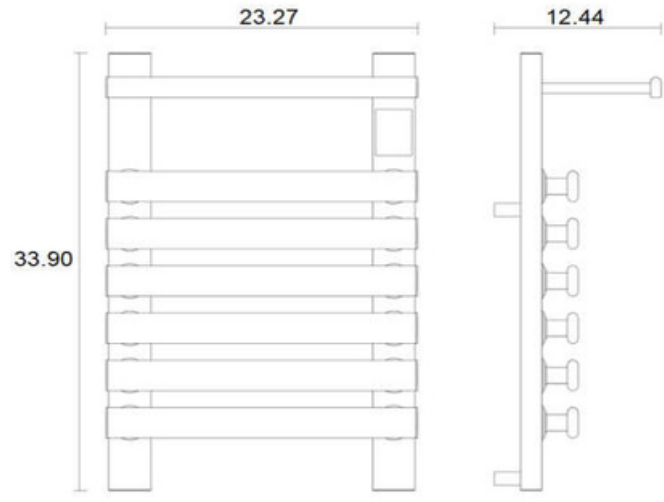

1. #B1-4 for Two Arms Four Bars Intelligent
#B1-6 for Two Arms Six Bars Intelligent
2. Carbon Fiber Heating
3. Time Adjustment: 1-8hours
4. Waterproof Grade: IPX4
5. Temperature Range: up to 158 °F
6. Rack heats up in 15mins without a towel
