WORKSHOPS

BEGINNERS LAMPWORK

This course is for you if you are looking for a day out doing something a little different or if you plan to take up bead making in the future and want to learn a few basic skills. I can tailor your lesson to suit your individual requirements.

IMPROVERS/SPECIFIC SKILLS IN LAMPWORK

Whether you have only a few hours torch experience or have been lampworking for some time, I can help you improve your existing skills and develop your knowledge as well as cover a wide range of techniques of your choice including the following:

Taming dots, raking and twisting dots, encasing, foral bead techniques, making and using twisted canes, stripy and petal beads, carousel beads and disc or wheel beads.

If there is something not listed that you had in mind please contact me to discuss.

All classes include the following:

- Extensive course notes including a basic tutorial on making simple beads and dot placement, for you to take home.
- Use of all equipment and materials required to complete the class
- All the beads you make and I make, cleaned and posted to you the following working day - Additional charge if multiple addresses.
- Access to my collection of lampwork and jewellery books
- Access to my work
- Tea, coffee and biscuits of course!
- Use of fridge and microwave

PRICES

Note: All classes are available for 1, 2 or 3 people.

I do not book other people in your class so you will either be on your own or with those that you personally book to come along.

TORCH HIRE:

\$10 per hour, per torch.

Torch rental is only available to previous students of mine or those who can demonstrate previous knowledge. I can cater for 3 people and there is a minimum duration of 3 hours. The price includes the following:

- use of the Nortel Minor Burner and didymium safety glasses.
- use of pre dipped mandrels. For larger than 2mm please let me know before the day.
- use of kiln, oxycon, propane, ventilation, tools, presses and rollers.
- access to a wide array of books.
- use of kettle, fridge and microwave.

A wide range of glass is available to purchase by the rod.

Rented torch time does not officially include any input from me, although I will be there working on my own things and am usually happy to chat and answer the odd question.

Should you wish to stay overnight, affordable accommodation is available locally
