How to Install

Watch the video tutorial before use.

SCAN ME

1. Remove the covers of the sticker ring and stick it firmly on the table.
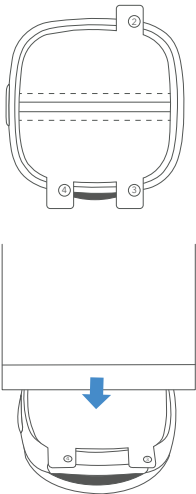

2. Place your Fitbit on the sticker ring (it's easier if you remove the Fitbit straps first).
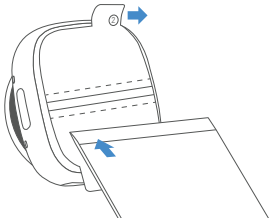

3. First, use the wet wipe to clean your Fitbit screen. Next, use the dry wipe to clean any dust that may remain.
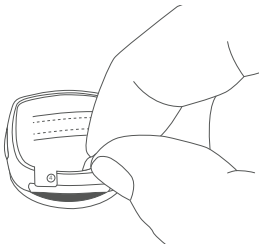

4. Peel off layer 1 from the screen protector and place it on your Fitbit screen. Use the cloth side of the card provided to squeeze out any air bubbles.
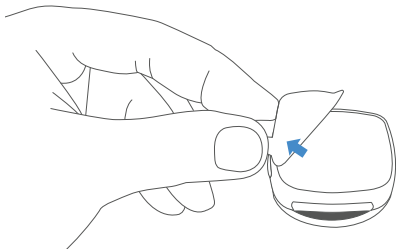

5. Hold the bottom of the screen protector with the card and remove layer 2. Squeeze out any air bubbles.

6. Remove layer 3 and squeeze out any air bubbles.

7. Remove layer 4 and you are finished.
