

Crepe Paper Flower Fairy Template
© Smile Mercantile Craft Co.

- Cut all shapes with grain running vertically with the templates.

- Hand: Cut Two

- Shawl: Fold a crepe paper rectangle in half to make two layers, and cut the shape with the folded edge at the bottom. Cut Two.

- Hat Petal: Cut Eight

-Petal Skirt: Start with a strip of paper 24 x 5 inches (grain running with the short side.) Fold the strip to be the same width as the template, so that when it is cut, it will unfold to be a long strip of repeating connected petals.

-Body wrap and Hat stem: Cut a 1 inch section off of the end of the crepe paper fold. Unfold to create a long ribbon with the grain running with the short side.
