

About Us

Established in 2015 and headquartered in Atlanta, Been Broke Before has rapidly expanded into one of the most recognizable brands in the fashion industry. We sell a range of merchandise and apparel and use a portion of proceeds to provide financial literacy workshops for middle and high school students in the metropolitan Atlanta area.

Description

The fashion designer is responsible for conceptualizing, developing and creating designs for clothing and apparel for our signature product line. This position will play an intimate role in helping the brand launch new product lines in the market.

Responsibilities:

- Design and development of seasonal collections
- Analyze trends in fabric/color/textures/shapes to ensure final designs are on par with current/future market trends
- Collaborate with cross functional team throughout the development process
- Manage the development of samples from first prototype through production
- Independently manage the working and delivery schedule of design projects

Requirements:

- Graduate of accredited institution in fashion design (preferred, but not required)
- Minimum of 3 years relevant experience in fashion design
- Knowledge in raw material sourcing, styling and graphic development
- Proficient in Illustrator and Photoshop (additional design/editing software knowledge is a bonus)
- Energetic, creative and able to work independently or collectively, with strong fashion sense
- Good command of spoken and written English

Timing:

- Position will start on August 7th, 2017. Current job is scheduled for 90 day contractual period. Longer term consideration will be discussed on or before day 75.

Compensation

- Commensurate with experience
