

## EMPATIA 16

Base in painted white die-cast aluminum.

Diffuser in handblown glass, clear towards the bottom and frosted at the top to allow reflection of the light without glaring and without losing efficiency.

Light pipe in transparent low absorption coefficient methacrylate guides the light to the diffuser.

### EMISSION

Diffused

### LIGHT SOURCE

LED  
11W 3000K>80CRI

### DIMMING FEATURE

Non dimmable

### DELIVERED LUMENS

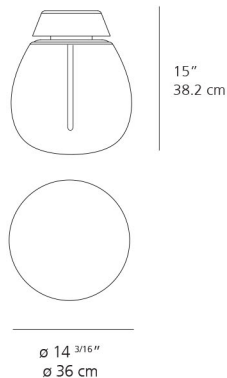

530lm

### FINISH

- Clear & Frosted (Diffuser)
- White (Base)

### CERTIFICATIONS

c.UL.us listed, IP20
