

by Maija Puoskari

Liuku Pendant Lamp is a sculptural lighting series designed by Finnish designer Maija Puoskari. Liuku consists of a hand-blown glass shade nestling over a solid wooden base that comes in two organic shapes; ‘Ball’ and ‘Drop’ with an integrated LED lightsource. The series can be used with or without the Liuku Glass Shade which is available in three tones; ‘Transparent’, ‘Smoked’ or ‘Violet Gradient’.

The choice of LED light source honours the UN Sustainable Development Goals of “Affordable and Clean Energy” (SDGs 7). Further the choice of certified wood from well-managed forests, honours the UN Sustainable Development Goals of protecting “Life on Land” (SDGs 15), “Responsible Consumption and Production” (SDGs 12) and “Partnership for the Goals” (SDGs 17).
