

ORIENTE ITALIANO ANTICO DOCCIA

Esuberante. Esotica. Ammalianti. Un fiore stilizzato, conosciuto nella tradizione delle ceramiche fiorentine come motivo del "garofano" e reinterpretato da Gio Ponti nel 1946, evoca nella Collezione Oriente Italiano suggestioni di memorie lontane. La leggiadria dei toni diafani di alba e tramonti scivola sulla porcellana come una sinfonia musicale. È lo scenario della Collezione Oriente Italiano sulla forma Antico Doccia dove aerografo e fantasia del colore creano un meraviglioso intreccio decorativo. Blu su fondo azzurro, giallo, verde o rosa, nero su fondo ghiaccio o verde, bordeaux su fondo rosa, bianco su fondo celeste e rosa su fondo sfumato del rosa chiaro sono i colori che si fondono dando vita a composizioni ricche di equilibrio. La collezione è realizzata in assortimento completo tavola, tè e caffè.

Exuberant, exotic, enticing. A stylized flower, known as the "garofano" – carnation – in the tradition of Florentine ceramics and reinterpreted by Gio Ponti in 1946, evokes distant memories in the Oriente Italiano Collection. The graceful, delicate hues of dawn and dusk glisten on porcelain like a symphony. This is the scenario of the Oriente Italiano Collection on the Antico Doccia shape, where the airbrush technique and the inventiveness of colour converge to create a magnificent pattern. A beautiful palette creates richly balanced compositions: blue on a background of light blue, yellow, green or pink; black against ice or green; burgundy on pink; white on light blue; and rose on light pink. The collection comes in a complete array of tableware as well as tea and coffee sets.
