

**TWO YEAR LIMITED WARRANTY ON MATERIAL AND WORKMANSHIP OF PV MODULES  
MANUFACTURED BY SOLAR-X and Branded DuraVolt.**

**1. Solar-X warrants the following for any DuraVolt PV module with a nameplate nominal power output of 85 Wp or less:**

Solar-X warrants that the photovoltaic modules carrying this Warranty are free from defects in material or workmanship or other malfunction or failure to perform (hereinafter "defect") for a period of two (2) year from the date of the original purchase. Solar-X at its option, will repair or replace such modules.

**This Warranty is subject to the following limitations:**

2. **Scope of Coverage:** This Warranty applies to new Solar-X modules, and is extended to the first retail purchaser only.
3. **Time Period:** For Materials and Workmanship, this Warranty period begins on the original purchase date and terminates two (2) years thereafter.
4. **Determining Power Output:** Rated power output value is determined under standard test conditions of cell temperature of 25 degrees Centigrade and incident irradiance of 1000 w per square centimeter and AM-1.5.
5. **Exclusions:** The preceding Warranty and Guarantee does not apply:
  - A. To conditions resulting from a defect in a component which is not part of the Solar-X module.
  - B. To conditions resulting from installation procedures which do not significantly conform to accepted industry standards.
  - C. To conditions resulting from any misuse, abuse, negligence or accident, storm, lightning, weather, Acts of God, or any other events beyond the control of Solar-X.
6. **Incidental Damages:** This Warranty is the owner's exclusive remedy and in no event shall Solar-X be liable for incidental or consequential damages in any way connected with the Solar-X photovoltaic module. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.
7. **No Other Express Warranties:** Unless otherwise explicitly agreed in writing, it is understood that these are the only Warranties given by Solar-X. Solar-X neither assumes, nor authorizes anyone to assume for it, any other obligations or liabilities in connection with the module.
8. **Proof of Purchase:** To ensure proof of ownership and date of purchase, you will need to provide the following information in order to be eligible under this Warranty: an invoice or bill of sale indicating your name, type of DuraVolt PV module purchased, serial no. and date of purchase.

9. **Claims:** To obtain service on the module, notify ITC Solar Inc. The exclusive distributor in North America for Solar-X & DuraVolt products. by telephone, email or letter

5666 LA JOLLA BLVD #122 LA JOLLA CA 92037.

10. **Inbound Freight Cost** Solar-X, as its sole obligation hereunder, will not be responsible for reimbursement of the inbound freight cost, the cost of a new or rebuilt module, and for outbound freight cost of the replacement module delivered to the owner. Solar-X will not be responsible for the costs of removal or reinstallation of the module.
