

Punch out the van to use during Early Bird Options in Lesson 1. Let the children color their vans and draw their families in the windows. Show the children how to fold the van back on the broken line so it stands up. Encourage the children

to play with their vans by moving them around the room. Encourage them to talk about how we go to stores, church, friends' houses, and on trips. Explain that God takes care of us wherever we go.

Alternative—if you would like to use this as a bulletin board display, staple the back half of the van to the board for a three-dimensional effect. Title the board "God takes care of us wherever we go."

God gives us  to eat,
 and  and  and .

Thank You, God, for giving us .

In Jesus' name. Amen.

Trust in the LORD with all your heart.
Proverbs 3:5

FOR TEACHER

Before class:

- Remove this page from the book.

During class:

- Let the children color their projects.
- Show the children where to fold the project on the broken line so that the Bible-time people are shown on the front.
- Let the children add the sticker of the basket from the center section of this book to the X on the front and the sticker of the grocery bags to the X on the inside.

Talk about:

- When God sent manna and quail to the Israelites.
- How God sends sunshine and rain to help food grow for us today, and how we buy that food at the grocery store.

= food

= eggs

= milk

= bread

= meat

- As you read the prayer aloud, talk about how food helps children grow tall and stay strong and healthy, and how we should thank God for giving us plenty of food to eat.

FOR PARENTS

Today your child learned that God provided the Israelites with manna and quail to eat when they were in the desert (Exod. 16:11-18). Your child learned that *our* food is provided by God too.

This project will remind your family to give thanks to God for your food. You may wish to learn the prayer shown on the project and say it together with your family before meals. Talk about how we can depend upon God to provide for our needs. As you do so, help your child start to memorize the Bible verse: "Trust in the LORD with all your heart" (Prov. 3:5).
