

HIGH-SPEED STRAIGHT SEWING

Fast and Efficient Sewing

- **Feed Dog Adjustments**

The four colour-coded levels of feed dog adjustment and presser foot pressure allow for maximum fabric control.

- **Pin Feed Mechanism**

Exchange the use of the feed dogs for a single pin that cleanly extends from beneath the machine, moving all layers of your quilt together.

- **Automatic Thread Cutter**

Automatic thread cutter that can cut the upper and lower threads.

- **Large Workspace**

With an expanded 11.1" by 23.3" workspace, there is no shortage of space for your projects.

- **Built-in Cone Thread Stand**

A built-in telescopic thread stand allows you to use your cone thread to feed smoothly and evenly.

- **Thread Tension Adjustment Dial**

For maximum accuracy, use the built-in tension adjustment control dial.

- **Fast Sewing Speeds**

Sew up to 1,500 stitches per minute.

- **Included Accessories**

With seven included accessory feet, plus an included dust cover for easy storage, the PQ1600S is ready for any project.

- **Built-in Knee Lifter**

Easily raise and lower your presser foot while freeing your hands to work on projects.

- **Programmable Needle Stop Position**

The needle stop position can be pre-programmed for even more customization.
