NETS & GRIPS

Headrest Handle Install

(Shown on Jeep Wrangler)

NOTE: Many newer models have B-pillar handles and even overhead on the ceiling that can be used for some of the top mounting locations. Check to see if you prefer to use these factory locations as the nets typically have enough adjustment to allow for this option. If your vehicle does not have handles in desired locations or you prefer to install mounting points for better fitment, please follow the below steps.

IMPORTANT: READ INSTRUCTIONS FULLY BEFORE STARTING

Time: *About 15 minutes*

Paw Level:
Tools: *none*

Step 1: Raise Headrest

Step 2: Remove headrest and slide handle onto pins

Step 3: Insert headrest back into place

Enjoy!

Thank you for purchasing Raingler Nets
