SIZE RANGES:

At Pattern Emporium, we measure in size ranges so you're not between sizes.

- For example, in the table below you will see Size 10 Upper Bust listed as '85cm'. Directly below you will see the range '85 to 88cm'.
- So if your upper bust measure anywhere between 85cm & 88cm (33.5-34.5"), you are a size 10.
- Inches are listed directly below cms.
