

SIZE & FIT

HOW THE KIMONO SHOULD FIT:

The Songbird is an easy fit over garment. You can choose to make yours regular or oversized fit*. Both fit beautifully. The long line option is designed to sit open.

CHOOSING YOUR SIZE (A):

1. Measure UPPER BUST (A).

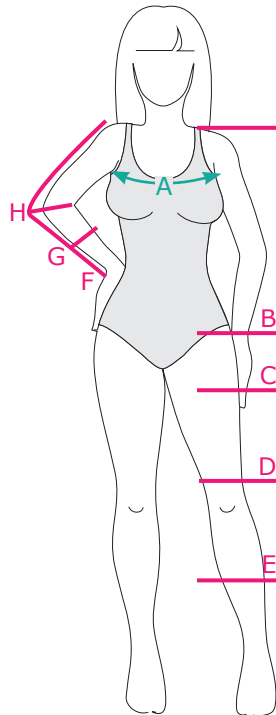

Measure around your body above the bust (under the arms).

Ensure your breasts aren't being pushed up by your bra. **I recommend measuring bra-less** as it gives a better indication of your upper body size.

2. Refer to **Row A** in the Body Measurements Table below to choose your size based on this measurement.

*For a regular fit: Choose your size based on the above.

*For an oversized fit: Choose the size up.

SIZE RANGES:

In Row A, you'll see that the measurement is broken down into a range of numbers in both centimetres & inches.

This is to help you find your size.

Our example: You have a 94cm bust.

- You are a Size 12 for this pattern.
- The size range for a Size 12 is 90-94cm.
- It's not like kidswear, **DO NOT size up unless you're wanting an oversized kimono.**
