NANAIMO TO COWICHAN VALLEY WINERY TOUR

Enjoy a leisurely island experience in the Cowichan Valley, 'the warm land'. The Cowichan Valley has the highest mean temperature in Canada making it a great region for growing cool climate grape varieties. Come and learn something new about wine while enjoying some of the best wine Vancouver Island has to offer. We believe in winery experiences, not winery crawls. Take some time to enjoy our partners' beautiful vineyards and facilities. You're on island time now, don't forget to enjoy it.

TOUR INCLUDES:

- Energetic tour guide with a vast knowledge of the Vancouver Island wine route
- Behind the scenes tour of one of the local wineries
- Round trip transportation from downtown Victoria
- Plenty of drinking water between venues
- Three winery stops with private tastings
- Time to enjoy each beautiful facility
- Lunch at one of the wineries
