

Cage Cleaning Routine

Daily Tasks

- Change soiled cage liners.
- Wash food and water dishes with soapy water. Provide fresh water & food.
- Perform a quick visual inspection to ensure toys and accessories are safe.
- Sweep the floor and surrounding area; wipe up splatters with Poop Swoop® wipes.

Weekly Tasks

- Scrape any dried poop off of the grate (tip: use a BBQ scraper).
- Scrape and wash the tray.
Clean cage cracks and crevices with a scraper and disinfectant.
- Clean the perches.
- Wipe down the cage with a bird-safe cleaner like Pet Focus.
- Run food and water bowls through the dishwasher (or give a thorough manual clean).
- Inspect, clean, and rotate bird toys.
- Use parrot-safe pest control products as needed.
- Wipe off food and poop splatters with bird-safe cleaner like Poop Swoop® wipes.
- Mop the floor and surrounding area with soapy water.

Monthly Tasks

- Wipe down the interior and exterior of the cage.
- Clean walls behind the cage.
