

Colour Magick

Using colour in your magick can enhance the power of your intention. Whether you are using coloured candles, crystals, fabrics or adding colour to your incense and oils - incorporating colour is a powerful tool.

BLACK:

Absorbing negativity, banishing reversals, cord cutting, hexes, protection, removing obstacles, support with grief/loss

GREY:

neutral workings, calm, cleansing death/transition work

WHITE:

positive magick, protection & shielding, peace and harmony, cleansing, truth can be substituted for any other colour

YELLOW:

court and legal matters, confidence, stopping gossip/slander, mental clarity, happiness and joy, manifesting, positivity

SILVER:

Elemental magick, Moon Magick, truth, peace

RED:

passion, lust, sexual energies, blood magic, cord cutting or bonding, stamina and anger (to increase)

ORANGE:

Success, opportunities, growth, rejuvenation, motivation, ambition, creativity, courage, increasing energy

GOLD:

money/finance spells, attraction, changing luck, fertility, success, career and offerings to the Gods

PINK:

love, self love, friendship, calming, positive thinking, clairvoyance, creativity, glamour spells

BLUE:

tranquility, peace, reducing stress/anger, healing emotions, sleep and dream work, meditation, patience, sincerity

BROWN:

animal magick, protection for animals, stability for home, grounding, clarity, stability and strength

PURPLE:

divination and psychic work, meditation and spiritual journeys, increasing potency in spellwork, reducing stress, wisdom

GREEN:

money spells, abundance, fertility and children, friendship, healing, prosperity, renewal, change in direction

Use your intuition too!
if a different colour feels right, go with it.
