

August 14, 2023

On behalf of Hadley's Blessing and Summit VT Solutions, it is my pleasure to invite you to join us for the 3rd Annual Summit Shootout Golf Tournament. The tournament will be held on **Friday October 13th at The Woodlands Golf Course** in Windsor Mill, Maryland.

This year's tournament will continue the Summit Solutions tradition to continually strive to be a community leader and make an impactful difference for families facing life changing obstacles associated with Type 1 Diabetes (T1D.)

Specifically, the funds raised from this year's tournament will support Hadley's Blessing initiatives to raise awareness of T1D, support research by Juvenile Diabetes Research Foundation (JDRF), a non-profit funding T1D research to find a cure, further develop a college scholarship fund for high school graduates and provide grants for children to attend summer diabetes camp.

We are proud to lead the charge and with your help, we can again reach our goals and make an immediate difference. Last year, we were humbled by the generosity of our tournament sponsors and participants. With your help since our inaugural tournament, we have successfully raised over \$90,000.00 dollars to support our initiatives.

Sponsorship opportunities, golf registration and other information can be found on our website, **2023 Summit Shootout**. Should you have any questions, please do not hesitate to contact, **Greg Sabo**, at (443) 370-9956 or gsabo@summitvts.com. We look forward to seeing you on October 13th!

We sincerely thank you for your support!
