

Moonlight Set - For Connecting With Your Higher Self

Created under the full moon, the essences in the Moonlight Set support prayer and meditation, spiritual development and the true expression of your soul's purpose. The Moonlight essences have an unusually high frequency and help us access guides, ancestors and divine energy.

* * *

Ancestral Link #3 : Opens ancestral connections, especially to family members who have chosen to guide us; Columbine flowers in moonlight

Angelic #28 : Provides access to an angelic stream carrying "innocent light" into the world; Rosemary flowers in moonlight

Archangel #10 : An elixir of tenderness; forms a rhythm in the core of being that resonates with an angelic stream, pouring into human consciousness; strengthens peace and provides reassurance of one's soul safety in the world; seals and protects all that is soft and gentle; enhances work with archangels; Angelica flowers in moonlight

Central Channel Link #13 : Activates a pumping action in the central channel; brings energy to the temples and cranial plates; supports trance-like states and the development of channeling skills; Iris flowers in moonlight

Chakra Alignment #26 : Creates a rhythmic synchronicity in the movement of the chakra system; helps to realign chakras with the pumping of the core channel and the pulse of the earth; Echinacea flowers in moonlight

Connection to Guides #4 : Opens us to the frequency of inner harmonies; provides access to whispers of the higher self or voices of our guides; Forget-Me-Not flowers in moonlight

Core Connection #1 : Provides a connection to the core channel and supports prime force alignment; for remembering our mystical connection to the divine; Lungwort flowers in moonlight

Core Identity #2 : Offers an anchor to childhood memories of our core identity imprints; helps us remember our childhood connection to our life purpose; Violet flowers in moonlight

DNA Link #6 : Energetically unscrambles coded messages in our DNA; helps pieces come together related to our higher purpose; Celandine flowers in moonlight

Earth Light #21: Helps bring light energy deeply into the physical; pushes out toxic buildup; may be used in conjunction with therapies for physical disease; Amethyst, Amber & Moldavite gems in moonlight

Feminine Soul Link #33 : Opens energies connecting to the deep feminine archetype, the "Mother of All;" provides a deep reassuring sense of unconditional love and safety; Rose of Sharon flowers in moonlight

Fullness in the Heart #18 : Directs energy from other centers into the heart area; brings the heart to the expressive level of consciousness; Gloriosa Daisy flowers in moonlight

Guardian Angel #30 : Provides access to guardian angels; creates a protective sheath to help with higher work and travel; Rue flowers in moonlight

Harmony #22 : Provides peace, balance and harmony by integrating all systems around the core channel; renews our soul purpose and helps our identity develop; Hemp Agrimony flowers in moonlight

Heart Ignition #29 : "The heart stands in the center of all that is new;" vitalizes core functions of the heart chambers; ignites a yearning for completions and the fulfillment of mission and destiny; Star Jasmine flowers in moonlight

Heart Link #5 : Awakens the emerging heart to higher functioning; "seeing with the heart" develops; provides energy to cleanse heart blockages and hurts; Currant flowers in moonlight

Heart Thought #15 : Energizes the upper portion of the core channel, helping specific parts of the heart and brain receive higher energies; ushers in flashes of insight, memory and knowing; Fraxinella flowers in moonlight

Home Link #7 : Stimulates original zodiac cluster codes in the outer energy field; the meaning of home shifts to accommodate a new celestial context; Shooting Star flowers in moonlight

Light Body #24 : Stimulates a connection of the "light vehicle" to awakening junction centers in the body; Yarrow flowers in moonlight

Lovejoy #11 : Opens the "lovejoy" experience as an energy; enables all chakras to gradually accept this energy; enhances our awareness of the sacredness of all; Lovage flowers in moonlight

Masculine Soul Link #31 : Develops the masculine aspects of the soul related to sexuality, birthing and parenting and "being"; Lobelia flowers in moonlight

Most High #9 : Opens a channel in the solar plexus to receive pivotal energies of the "most high" and the earth's core; disperses this transformational energy, as needed, into the human system; Poppy flowers in moonlight

Nervous System #8 : Energetically activates the nervous system to find fire in original sequences; increases clarity and understanding of new information that requires a shifting of context; Comfrey flowers in moonlight

Prayer #16 : Enhances all aspects of prayer; helps us accept prayer as a form of communing, exchange, giving and receiving; Motherwort flowers in moonlight

Release #19 : Forms the essential core pattern of spiritual development as "attainment through releasing"; provides strength and insight required to move consciousness into the light; helps with resistance to transition; lessens the ego pain of holding on; Teasel flowers in moonlight

Senses Link #17 : Heightens the senses; ushers a refined energy into sight, hearing and touch for a higher purpose; Cornflower flowers in moonlight

Soul Dreams #23 : Brings forward deeply held dreams, desires and fears for releasing or embracing; permits functional levels of manifestation to bring in blocked desires; helps us reawaken "wanting" in alignment with our soul; Mugwort flowers in moonlight

Soul Powers #25 : Promotes an acceptance of power; makes energy available to different systems; clarifies soul gifts or powers; enables us to express ourselves through various channels with more strength and clarity; Elecampane flowers in moonlight

Soul Self #12 : Helps to protect and support the transformation of the self from a personality cluster to an emerging soul; Jack-in-the-Pulpit flowers in moonlight

Soul Thought #27 : Lifts thinking to more refined levels; conducts higher thought into the nervous system; helps blend thinking with higher guidance; brings in clearer archetypal thought forms to work with our own; enhances the creative process, psychic activities and visualization; Blazing Star flowers in moonlight

Soul Type Link #14 : Promotes renewal, appreciation and discovery of our soul qualities and type patterns; enables us to use our race, gender, physical attributes, talents and preferences as pathways towards higher frequencies and our destiny; Chive flowers in moonlight

Starseed A #32 : "Pillar of Light;" adds soft and fluid movement of blue-white light up and down the core channel; integrates this movement with breath through the belly; Bull Thistle seeds in moonlight

Starseed B #34 : Ushers in breath through the heart, bringing pink-amber hues to the core channel; stimulates the frequency of masters; Elecampane seeds in moonlight

Starseed C #35 : Ushers in breath through the crown, bringing in the multicolored frequency of ascended hierarchy; Hemp Agrimony seeds in moonlight

Starseed D #36 : Ushers in breath through the third eye, bringing the color blue into the core channel; Liatris seeds in moonlight

Strength #20 : Anchors conviction, certainty and strength; helps us witness the central truths of our lives; opens a knowing that gives courage during struggle or soul testing; Hyssop flowers in moonlight
