

Sunflower Set - Flower Essences for Success

The Sunflower Set is a complement to the Manifestation Set. The essences in this collection address particular fears associated with success and achievement. Each sunflower holds a key to guiding the individual through special circumstances surrounding success. Use the set by itself or along with the Manifestation Set to overcome obstacles to happiness.

Corona : Helps us handle fears of stagnation; produces flashes of insight, brilliance and genius; for times when we face "unsolvable" problems or blocks; for those who feel trapped in lifestyles or relationships

Dark Star : Addresses fear of failure; helps us develop confidence and recover from deprivation; for learning how to manifest; ideal for children who are learning to compete; helps us attract healthier relationships

Light : Addresses fear of groups and fears related to working with others; for peacemakers who neglect themselves; supportive during group projects and group goal-setting; helps resolve family issues and relieve group discord

Moonshadow : For those who fear mediocrity; helps us manifest our inner self into form; grounds spiritual impulses and supports spiritual leadership; helps to balance spiritual-intellectual types; for attracting spiritual teachers and companions

Painted : For those who fear they will not fulfill their purpose; helps us manifest our dreams; helps resolve inner conflicts between what we want and what we receive and between individual will and divine will; use for manifesting partnership

Ruby : Eases fears of wealth and power; for those who have been taught that money is the source of all evil; for manifesting needed resources; use when attempting to raise living standards and change attitudes about poverty and pain

Rusty : Helps to lessen fears of new ventures; eases fear of change; for those who seek comfort and avoid thinking or dreaming outside the box; helps us learn to take risks; for those who underestimate their potential

Wild Child : For fears related to impulsiveness; helps those who are afraid of what they might do; for fears of making a mistake or hurting others; for those who overestimate their abilities or who set unrealistic goals; helpful when immersing ourselves in a project
