

## Support Set - Flower & Gem Essences for Repair

The Support Set is a companion to the Artemisia Set and Teasel Set. The essences in this collection help to support various systems in the energetic body that have been compromised by infection. Standard dosage ~ 3 drops 3x/day under the tongue or in a small glass of water.

\* \* \*

Beryl Peridot : Provides energetic support for those whose elimination systems are taxed by chemical or biological toxins; energetically supports the liver; contains Beryl and Peridot essences

Hematite-Kunzite Plus : An energetic support for those who wish to build blood vitality; contains Hematite, Kunzite, Quartz and Rose Quartz essences

Moonstone-Pearl Plus : Provides energetic support for those with digestive issues who are unable to easily absorb and process nutrients; contains Moonstone, Pearl, Pyrite and Quartz essences

Delta Gardens makes no claims that essences can heal, treat, mitigate or alleviate any illness or disease. References to organs or physical systems indicate the etheric aspect of the body - the energetic signature of a particular organ or system - rather than the organ, itself, and are intended to guide further inquiry. Essences should not be used as a substitute for professional medical evaluation and care.
