

Teasel Set - Energetic Remedies for Bacterial Infections

The Teasel Set contains essences that help restore energetic balance to those who are compromised by bacterial infections. Most of the essences in this set are made from blooming bands on the teasel comb which correspond to different chakras in the energy system.

* * *

Asian Bittersweet : For those with invasive conditions or who find themselves in a situation that feels impossible; provides energetic support to anyone processing the toxic byproducts of an infection; promotes the free flow of energy through the etheric body; etheric influences - bacterial infections

Comfrey : Brings forward repressed parts of the self; opens feelings, memories and parts of the physical that the subconscious shuts down; provides energetic support for those with infections embedded in the nervous system; etheric influences - bacterial infections, nervous system

Deer Antler : Provides access to the spirit of deer nation and a sense of paternal protection; for reconnection to the instinct of self-care; etheric influences - bacterial infections

Stevia : Provides energetic support to anyone whose immune system is challenged by bacteria or spirochetes; etheric influences - bacterial infections, immune system

Teasel 1 : Resonant with the first chakra; restores a sense of rootedness and well-being to a system that has been deeply affected by infection; etheric influences - bacterial infections, feet, legs, sacrum

Teasel 2 : Corresponds to the second chakra; helps to relieve energetic imbalances in the pelvic area; provides energetic support for those with bacterial infections that affect the sexual organs; etheric influences - bacterial infections, sexual organs

Teasel 3 : Corresponds to the third chakra and the solar plexus; helps us rediscover our core and our agency after periods of infirmity or disability; etheric influences - bacterial infections, solar plexus

Teasel 4 : Aligned with the fourth chakra; helps to clear energetic congestions in the chest that prevent the free flow of energy throughout the system; etheric influences - bacterial infections, heart, lungs

Teasel 5 : Balances the energy of the fifth chakra; especially useful for those who have lost their voice in life or as a result of illness; etheric influences - bacterial infections, jaw, throat, thyroid

Teasel 6 : Addresses issues that surface in the sixth chakra; promotes clarity of vision through illness towards recovery; etheric influences - bacterial infections, eyes, sinuses, pituitary

Teasel 7 : Resonant with the seventh chakra; energetically supports those who are having difficulty with thinking due to an infection; for accessing and integrating higher healing energies; etheric influences - bacterial infections, cognitive function

Teasel 1-7 : A blend of Teasel 1 and Teasel 7; works on a deep energetic level through the etheric nervous system; use when our sense of security and rootedness is shaken by infection; helps to reestablish a connection between the base and crown chakras; "deep roots support expansiveness"; etheric influences - bacterial infections, nervous system

Teasel 2-6 : A blend of Teasel 2 and Teasel 6; works on a deep energetic level through the etheric nervous system; use when emotional blockages affect our capacity to envision new possibilities; for those who are emotionally exhausted by a prolonged infection or who no longer believe healing is possible; etheric influences - bacterial infections, nervous system

Teasel 3-5 : A blend of Teasel 3 and Teasel 5; works on a deep energetic level through the etheric nervous system; use when our will forces and our ability to take action have been compromised by infection; helps us express our needs in order to speed recovery; etheric influences - bacterial infections, nervous system

Teasel Blend : A blend of all seven teasel essences; provides energetic support for those who have diverse or traveling symptoms; etheric influences - bacterial infections

Teasel Tree : Provides a sense of protection and safety to those who doubt the benevolence of nature and natural processes; reminds us that the natural world offers protection from and antidotes to pathogens; etheric influences - bacterial infections

Delta Gardens makes no claims that flower essences can heal or alleviate any illness or disease. References to organs or physical systems indicate the etheric aspect of the body - the energetic signature of a particular organ or system - rather than the organ, itself, and are intended to guide further inquiry. Essences should not be used as a substitute for professional medical evaluation and care.
