Dans un Jardin Mirabella Sugar Scrub (\$19.95) Slough off dry winter skin with this sugary-sweet exfoliating scrub. Real sugar granules polish skin without irritation. Use two to three times a week for the softest skin, like, ever.

BODY MOISTURIZER

S20 AND UNDER Nivea Q10plus Firming Body Lotion (\$10) Apply this firming lotion all over your bod right after a steamy shower for skin that's soft and sexy. **OVER \$20 Lotus Aroma Velvet Body Lotion (\$20)** A velvet body lotion? You've got our attention. Made with shea butter, sea-buckthorn and pure mandarin essential oils, this indulgent citrusy moisturizer coats skin in creamy goodness.

BODY WASH—UNDER \$15 Sweet Spot Labs Vanilla Blossom Gentle Wash (\$10) This exfolgent body wash is pH balanced, so it's even safe to use on your most private parts. Coconut-based cleansers and apricot emollient oils clean and soften skin and have been clinically tested not to irritate. **OVER \$15 Bioderma Atoderm Gentle Shower Gel (\$19.95)** This soap-free cleansing gel is ideal for the no-moisturizer who is looking for a body wash that gets the job done. MEN

ANTI-DANDRUFF SHAMPOO/FORTIFYING SHAMPOO

Klorane Shampoo with Essential Olive Extract (\$10.60) Whether you are rocking a man bun or a Champagne Pop-inspired fade, keep your scalp healthy with a fortifying shampoo. Olive extract works to thicken the hair fibre and revitalize the scalp.

SHAVING PRODUCTS

ClarinsMen Smooth Shave (\$23) Barry Morris from Courice, Ont., loved that he only needed a small amount of this product to get the perfect lather. Quincy Barker from Toronto echoed that sentiment, adding that the blade "easily slides over the shaving cream."

MOISTURIZING FACE CREAM

ClarinsMen Revitalizing Gel (\$48) This anti-wrinkle face cream for men fights early signs of aging while moisturizing and hydrating skin.

FACE WASH

ClarinsMen Exfoliating Cleanser (\$32) Xavier Poulin from Gatineau, Que., said his skin felt "clean but not stripped" after using this exfoliating cleanser.
