[SNAKE QUEEN]

The snake is always alluring with its mystic charm! The mysteriously evil, yet sophisticated snake is now showcased through the SNAKE QUEEN series. Elegant and sexy, SNAKE QUEEN enchants with its dignified spring green and python colours. But what truly impresses is the python print on the watch dial. Hydraulic-pressed with the finest precision, the dial sparkles with luxurious Swarovski crystals.

Available in stainless steel and PVD rose gold, the 46mm diameter watch case features square Swarovski crystals for that exquisite touch and exudes a stylish, modern feel for the ladies. The SNAKE QUEEN series is set to bring out the feminine elegance and sensuality in the ladies.
