NSQUARE

【NSQUARE x MEMORIGIN . TOURBILLON系列】

In just two short years after its founding, the high-end Hong Kong watch brand **NSQUARE** has gained a following among celebrities and famous personalities. **NSQUARE** has always been known for its avant-garde designs and pursuit of detail. To embody the spirit of the N(infinity) SQUARE (to the power of) brand, the brand has strived to explore possibilities through different joint series. The latest TOURBILLON series is a local collaboration with Memorigin, the only high-end tourbillon wrist watch brand in Hong Kong

This year, **NSQUARE** cooperated for the first time with another high-end wrist watch brand in Hong Kong, MEMORIGIN, to launch the NM-01 Tourbillon. The NM-01 wrist watch, launched by **NSQUARE** X MEMORIGIN, has a bold and elegant 46mm steel multi-layered solid case. The dial's hollow design is cleverly blended with the movement, and its high-quality PVC and embossed leather strap provides the NM-01 a better and more comfortable fit.

The wrist watch is equipped with the MEMORIGIN tourbillon movement. The movement has a total of 155 components and 18 jewel bearings. The tourbillon has 40 hours of power reserve. The vibration frequency can go up to 28,800 times per hour, and the tourbillon at the six o'clock mark rotates once every 60 seconds. The NM-01 combines a subtle movement with a bold, elegant and stylish look that draws out the sexy appeal of a man. The collaborative product between **NSQUARE** and Memorigin is one that blends elements of classic and trendy design. Such design will surely satisfy the high-end watch enthusiast in his pursuit of both trend and comfort.

The **NSQUARE** wrist watch is customised specially for Asians, fits the wrist snugly, and is designed with exquisite craftsmanship in European style. It uses high-quality materials such as the stainless-steel multi-layered case, sapphire glass, jewel bearings, and high-quality crocodile leather straps. **NSQUARE** fans may notice that the style of the case carries on the tradition of the Hegemonic series, with the professional, elegant and yet trendy style of Snake King, Snake Queen and NR1.
