Louis Yan —

The Magician Limited Edition

NSQUARE and Hong Kong's famous magician Louis Yan launched the limited-edition watch "The Magician", combining magic with watches. Magician Louis Yan is the champion of European and American magic competitions and has broken two magic Guinness world records. He has the reputation of Hong Kong's new generation "Magic Icon" and "Street Magic King". In 2019, he won the 47th Hong Kong "Top Ten Outstanding Youth" hosted by the International Youth Chamber of Commerce, becoming the first Hong Kong professional magician to win the prize. His personal world tour magic tour has traveled all over the world, performing in Hong Kong, Macau, Las Vegas, Toronto, Melbourne, Sydney, Los Angeles and other places, setting a record for the first Hong Kong magician to have a personal world tour magic show. His personal magic performance in Las Vegas is the first magician in Hong Kong and the second Chinese magician in the world. He can go to the Las Vegas to open a solo show, set a magic history, and bring Chinese magic to the world

The Magician series is a watch that is both stylish and magical. The watch has 4 magics. Through the watch and special playing cards, you can change to 4 wonderful and unexpected magics. Focus in the party.

The design of the watch is mainly based on the skull. In the center of the dial, the skull is engraved with patterns and magical mysteries. The large 46 mm case makes the watch domineering. In order to create a watch full of magic elements, the watch is made of copper and engraved with a totem pattern to fully integrate the magic into the watch, The Vintage leather band, "Cool" brings some retro style, giving full play to the unique personality of NSQUARE and magician Louis Yan.
