CATALOGUE

Inspired by flitting butterflies, the first of the **NSQUARE** pink series, *Gracefully*, brings the grace of the butterflies' movement into the ladies' wrist watches, and radiates feminine gentleness and beauty.

The *Gracefully* series wrist watches presents the elegance of the butterflies with its wings wide open on its dial. The butterflies are embedded with Swarovski crystals and painted to bring out a three-dimensional feel of the dial. Added to it is a thin layer of mother of pearl, in a timepiece that defines a lady's elegance.

Available in stainless steel, stainless steel PVD Rose Gold and stainless steel PVD black, each timepiece comes with a beautiful Italian watch strap. Together with the colourful watch dial and watch case embedded with Swarovski crystals, the **NSQUARE** pink is exemplary of the female modernity and elegance.
