ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Ensure that you have all the pieces before starting assembly by referring to the parts inventory. When starting assembly, place all pieces on a soft, clean, and flat surface like a carpet to prevent scratches or damage.

If you are having difficulty, our VIP Team is always here for you. Call us at **1-800-684-6014** during business hours or email us at **service@wazofurniture.com**.
