IMPORTANT NOTES

1. Please check that all parts are present before starting assembly.
2. For the protection of your furniture and to ensure it is not damaged in the assembly process, place all parts on a clean, smooth surface.
3. In order to align all screws properly, tighten all screws halfway first until product frame is assembled and then tighten fully when all screws are aligned.
4. Do not use power tools for assembly.
5. Please periodically check all fittings and re-tighten as necessary.
6. Do not use furniture unless all bolts and screws are firmly secured.

Structural integrity is warranted only if all fasteners are properly installed & tightened, and the product is moved only per instructions.
