This diagram has been drawn with the Seymour Duncan Invader pickup wire colour codes in mind. If your pickup is different to this, or importantly, a different pickup manufacturer, then please refer to that manufacturer's wire colour coding prior to installing.

Important note

Please visit the 'Wiring diagrams & helpful technical info' page on www.homeoftone.co.uk & read through the Home of Tone harness fitting guide before beginning your harness install. Please take care of yourself and your guitar when carrying out any guitar wiring work as James' Home of Tone cannot be held responsible for any damage caused by dangerous or incorrect techniques used. Or if possible, support your local businesses and have your trusted local guitar tech carry out your install!
