We require photos of your problem area before your warranty claim can be processed. Please take a photo of your problem area and send it in with this form. Taking several photos from different angles will help speed up the process. If your claim is for a "Body Impression" please place a golf ball or similar sized object in the deepest portion of the impression for the photo. Use a straight edge such as a broom handle, yard stick, etc. and lay it across the impression; use the ruler or tape measure to illustrate the number of inches from the bottom of the impression to the straight edge. Do not measure into the stitch channel of the mattress. This is the natural indention in the mattress.

Remember to take off all sheets, comforters, and mattress protectors before taking any pictures.

Mail this form along with pictures to:

Bedding Mart
PO Box 360
Perryville, AR 72126

Or email them to customersupport@thebeddingmart.com

Remember this process usually takes 2-3 weeks depending on manufacturer response time. Please keep in mind should your claim be found **valid** you (**the customer**) are still responsible for any **delivery costs** that may be associated with replacing your mattress. Thank you for your patience and we appreciate your business.
