

WHO WILL PRESERVE THEIR STORY?

THE FRIENDS OF THE FORT LEWIS MILITARY MUSEUM

We believe that the story of our soldiers, their families, and supporters must be preserved to educate and inspire future generations of Americans. *The Friends* is a non-profit organization dedicated to keeping the history of the United States Army alive by supporting the Fort Lewis Military Museum. *The Friends* membership includes active and retired military personnel as well as patriotic citizens from all walks of life. *Friends* receive a quarterly newsletter, a discount at the Cannon Shop, and the opportunity to participate in meetings and programs. Please help us to promote an appreciation and awareness of our priceless military heritage by becoming a *Friend*.
