### Article 1 of Chapter 6 of Title 3

3-6-4.

Notwithstanding any other contrary provision of law, any restaurant which is licensed to sell alcoholic beverages for consumption on the premises may permit a patron to remove one unsealed bottle of wine per patron for consumption off premises, if the patron has purchased a meal and consumed a portion of the bottle of wine which has been purchased on the premises with such meal on the restaurant's premises. A partially consumed bottle of wine that is to be removed from the premises must be securely resealed by the licensee or its employees before removal from the premises. The partially consumed bottle of wine shall be placed in a bag or other container that is secured in such a manner that it is visibly apparent if the container has been subsequently opened or tampered with, and a dated receipt for the bottle of wine and meal shall be provided by the licensee and attached to the container. If transported in a motor vehicle, the container with the resealed bottle of wine shall be placed in a locked glove compartment, a locked trunk, or the area behind the last upright seat of a motor vehicle that is not equipped with a trunk.
