Liquor Control Devices 123.30

4. Notwithstanding any provision of this chapter to the contrary, a person holding a license to sell alcoholic liquors for consumption on the licensed premises may permit a customer to remove one unsealed bottle of wine for consumption off the premises if the customer has purchased and consumed a portion of the bottle of wine on the licensed premises. The licensee or the licensee's agent shall securely reseal such bottle in a bag designed so that it is visibly apparent that the resealed bottle of wine has not been tampered with and provide a dated receipt for the resealed bottle of wine to the customer. A wine bottle resealed pursuant to the requirements of this subsection is subject to the requirements of sections 321.284 and 321.284A.
