### Liquor Control Code

436.2021 Sale or serving of food; removal of liquor from premises; removal of partially consumed bottle of wine from premises; class A or B hotel.

Sec. 1021.

(3) A vendor licensed to sell wine on the premises may allow an individual who has purchased a meal and who has purchased and partially consumed a bottle of wine with the meal, to remove the partially consumed bottle from the premises upon departure. This subsection does not allow the removal of any additional unopened bottles of wine unless the vendor is licensed as a specially designated merchant. The licensee or the licensee's clerk, agent, or employee shall reinsert a cork so that the top of the cork is level with the lip of the bottle. The transportation or possession of the partially consumed bottle of wine shall be in compliance with section 624a of the Michigan vehicle code, 1949 PA 300, MCL 257.624a.
