12-4-410. Sale of alcoholic beverages for off-premises consumption prohibited; location, regulation and restrictions on dispensing of liquor; prohibiting certain activities.

(e) A restaurant liquor licensee may permit a patron to remove one (1) unsealed bottle of wine for off-premises consumption provided that the patron has purchased a full course meal and consumed a portion of the bottle of wine with the meal on the restaurant premises. For purposes of this subsection the term "full course meal" shall mean a diversified selection of food which is ordinarily consumed with the use of tableware and cannot conveniently be consumed while standing or walking. A partially consumed bottle of wine that is to be removed from the premises pursuant to this subsection shall be securely sealed by the licensee or an agent of the licensee and placed in a tamper-proof transparent bag which shall also be securely sealed prior to removal from the premises, so that it is visibly apparent that the resealed bottle of wine has not been tampered with. The licensee or agent of the licensee shall provide a dated receipt for the bottle of wine to the patron. Wine which is resealed in accordance with the provisions of this subsection shall not be deemed an open container for purposes of W.S. 31-5-235.
