

SIZE GUIDE

Place your credit card here

Your Hat Size

1. When printing, use setting : custom scale at 100%
2. Assemble this tape by matching the letters.

B

To find your correct hat size

3. Measure the circumference of your head, keeping the tape leveled and firm, across the temples and above the eyebrow ridges.
4. **Your child is between sizes?** If your child is 2cm over a size, we recommend sizing up
